Both parties acknowledge that Contractor is not an employee for state or federal tax purposes. Contractor shall retain the right to perform services for others during the term of this Contract.

ARTICLE 3. SERVICES

- 3.01** Specific Services: Contractor agrees to furnish the following services:
Contractor shall provide the services described in Exhibit "A" attached hereto.

No additional services shall be performed by Contractor unless approved in advance in writing by the County stating the dollar value of the services, the method of payment, and any adjustment in contract time or other contract terms. All such services are to be coordinated with County and the results of the work shall be

monitored by the Siskiyou County Human Services Agency Director or his or her designee.

- 3.02** Method of Performing Services: Contractor will determine the method, details, and means of performing the above-described services including measures to protect the safety of the traveling public and Contractor's employees. County shall not have the right to, and shall not, control the manner or determine the method of accomplishing Contractor's services.

- 4.05** Overpayments: In the event that an overpayment is made to Contractor for services under this agreement, County shall notify and invoice Contractor for repayment in full. Contractor shall refund overpayments to County within 30 days of receipt of invoice. County will not offset future payments for services under this agreement.

ARTICLE 5. OBLIGATIONS OF CONTRACTOR

- 5.01** Contractor Qualifications: Contractor warrants that Contractor has the necessary licenses, experience and technical skills to provide services under this Contract.
- 5.02** Contract Management: Contractor shall report to the Siskiyou County Human Services Agency Director (or his or her designee) who will review the activities and performance of the Contractor and administer this Contract.

- 5.03 Tools and Instrumentalities:** Contractor will supply all tools and instrumentalities required to perform the services under this Contract. Contractor is not required to purchase or rent any tools, equipment or services from County.
- 5.04 Workers' Compensation:** Contractor shall maintain a workers' compensation plan covering all its employees as required by California Labor Code Section 3700, either through workers' compensation insurance issued by an insurance company or through a plan of self-insurance certified by the State Director of Industrial Relations. If Contractor elects to be self-insured, the certificate of insurance otherwise required by this Contract shall be replaced with a "consent to self-insure" issued by the State Director of Industrial Relations. Proof of such insurance shall be provided before any work is commenced under this contract. No payment shall be made unless such proof of insurance is provided.
- 5.05 Indemnification:** Contractor shall indemnify and hold County harmless against any and all liability imposed or claimed, including attorney's fees and other legal expenses, arising directly or indirectly from any act or failure of Contractor or Contractor's assistants, employees, or agents, including all claims relating to the injury or death of any person or damage to any property. Contractor agrees to maintain a policy of liability insurance in the minimum amount of (\$1,000,000) One Million Dollars, to cover such claims or in an amount determined appropriate by the County Risk Manager. If the amount of insurance is reduced by the County Risk Manager such reduction must be in writing. Contractor shall furnish a certificate of insurance evidencing such insurance and naming the County as an additional insured for the above-cited liability coverage prior to commencing work. It is understood that the duty of Contractor to indemnify and hold harmless includes the duty to defend as set forth in Section 2778 of the California Civil Code. Acceptance by County of insurance certificates and endorsements required under this Contract does not relieve Contractor from liability or limit Contractor's liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply to any damages or claims for damages whether or not such insurance policies shall have been determined to apply. By execution of this Contract, Contractor acknowledges and agrees to the provisions of this Section and that it is a material element of consideration.
- 5.06 General Liability and Automobile Insurance:** During the term of this Contract, Contractor shall obtain and keep in full force and effect a commercial, general liability and automobile policy or policies of at least (\$1,000,000) One Million Dollars, combined limit for bodily injury and property damage; the County, its officers, employees, volunteers and agents are to be named additional insured under the policies, and the policies shall stipulate that this insurance will operate as primary insurance for work performed by Contractor and its sub-contractors, and that no other insurance effected by County or other named insured will be called on to cover a loss covered thereunder. All insurance required herein shall be provided by a company authorized to do business in the State of California and possess at least a Best A:VII rating or as may otherwise be acceptable to County. The General Liability insurance shall be provided by an ISO Commercial General Liability policy, with edition dates of

1985, 1988, or 1990 or other form satisfactory to County. The County will be named as an additional insured using ISO form CG 2010 1185 or the same form with an edition date no later than 1990, or in other form satisfactory to County.

5.07 Certificate of Insurance and Endorsements: Contractor shall obtain and file with the County prior to engaging in any operation or activity set forth in this Contract, certificates of insurance evidencing additional insured coverage as set forth in paragraphs 5.04 and 5.10 and which shall provide that no cancellation, reduction in coverage or expiration by the insurance company will be made during the term of this Contract, without thirty (30) days written notice to County prior to the effective date of such cancellation. **Naming the County as a "Certificate Holder" or other similar language is NOT sufficient satisfaction of the requirement.** Prior to commencement of performance of services by Contractor and prior to any obligations of County, contractor shall file certificates of insurance with County showing that Contractor has in effect the insurance required by this Contract. Contractor shall file a new or amended certificate on the certificate then on file. **If changes are made during the term of this Contract, no work shall be performed under this agreement, and no payment may be made until such certificate of insurance evidencing the coverage in paragraphs 5.05, the general liability policy set forth in 5.06 and 5.10 are provided to County.**

5.08 Public Employees Retirement System (CalPERS): In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Contract is determined by a court of competent jurisdiction or the Public Employees Retirement System (CalPERS) to be eligible for enrollment in CalPERS as an employee of the County, Contractor shall indemnify, defend, and hold harmless County for the payment of any employee and/or employer contributions of CalPERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of County. Contractor understands and agrees that his personnel are not, and will not be, eligible for memberships in, or any benefits from, any County group plan for hospital, surgical or medical insurance, or for membership in any County retirement program, or for paid vacation, paid sick leave, or other leave, with or without pay, or for any other benefit which accrues to a County employee.

5.09 IRS/FTB Indemnity Assignment: Contractor shall defend, indemnify, and hold harmless the County, its officers, agents, and employees, from and against any adverse determination made by the Internal Revenue Service of the State Franchise Tax Board with respect to Contractor's "independent contractor" status that would establish a liability for failure to make social security and income tax withholding payments.

5.10 Professional Liability: If Contractor or any of its officers, agents, employees, volunteers, contactors or subcontractors are required to be professionally licensed or certified by any agency of the State of California in order to perform any of the work or services identified herein, Contractor shall procure and maintain in force throughout the duration of the Contract a professional liability insurance policy with a minimum

coverage level of (\$1,000,000) One Million Dollars, or as determined in writing by County's Risk Management Department.

5.11 State and Federal Taxes: As Contractor is not County's employee, Contractor is responsible for paying all required state and federal taxes. In particular:

- c. County will not withhold state or federal income tax from payment to Contractor.
- d. County will not make disability insurance contributions on behalf of Contractor.
- e. County will not obtain workers' compensation insurance on behalf of Contractor.

5.12 Records: All reports and other materials collected or produced by the Contractor or any subcontractor of Contractor shall, after completion and acceptance of the Contract, become the property of County, and shall not be subject to any copyright claimed by the Contractor, subcontractor, or their agents or employees. Contractor may retain copies of all such materials exclusively for administration purposes. Any use of completed or uncompleted documents for other projects by Contractor, any subcontractor, or any of their agents or employees, without the prior written consent of County is prohibited. It is further understood and agreed that all plans, studies, specifications, data magnetically or otherwise recorded on computer or computer diskettes, records, files, reports, etc., in possession of the Contractor relating to the matters covered by this Contract shall be the property of the County, and Contractor hereby agrees to deliver the same to the County upon request. It is also understood and agreed that the documents and other materials including but not limited to those set forth hereinabove, prepared pursuant to this Contract are prepared specifically for the County and are not necessarily suitable for any future or other use.

5.13 Contractor's Books and Records: Contractor shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, and other records or documents evidencing or relating to charges for services or expenditures and disbursements charged to the County for a minimum of five (5) years, or for any longer period required by law, from the date of final payment to the Contractor under this Contract. Any records or documents required to be maintained shall be made available for inspection, audit and/or copying at any time during regular business hours, upon oral or written request of the County.

5.14 Assignability of Contract: It is understood and agreed that this Contract contemplates personal performance by the Contractor and is based upon a determination of its unique personal competence and experience and upon its specialized personal knowledge. Assignments of any or all rights, duties or obligations of the Contractor under this Contract will be permitted only with the express written consent of the County.

5.15 Warranty of Contractor: Contractor warrants that it, and each of its personnel, where necessary, are properly certified and licensed under the laws and regulations of the State of California to provide the special services agreed to.

5.16 Withholding for Non-Resident Contractor: Pursuant to California Revenue and Taxation Code Section 18662, payments made to nonresident independent contractors, including corporations and partnerships that do not have a permanent place of business in this state, are subject to 7 percent state income tax withholding.

Withholding is required if the total yearly payments made under this contract exceed \$1,500.00.

Unless the Franchise Tax Board has authorized a reduced rate or waiver of withholding, and County is provided evidence of such reduction/waiver, all nonresident contractors will be subject to the withholding. It is the responsibility of the Contractor to submit the Waiver Request (Form 588) to the Franchise Tax Board as soon as possible in order to allow time for the Franchise Tax Board to review the request.

5.17 Compliance with Child, Family and Spousal Support Reporting Obligations: Contractor's failure to comply with state and federal child, family and spousal support reporting requirements regarding contractor's employees or failure to implement lawfully served wage and earnings assignment orders or notices of assignment relating to child, family and spousal support obligations shall constitute a default under this Contract. Contractor's failure to cure such default within ninety (90) days of notice by County shall be grounds for termination of this Contract.

5.18 Conflict of Interest: Contractor covenants that it presently has no interest and shall not acquire an interest, direct or indirect, financial or otherwise, which would conflict in any manner or degree with the performance of the services hereunder. Contractor further covenants that, in the performance of this Contract, no subcontractor or person having such an interest shall be used or employed. Contractor certifies that no one who has or will have any financial interest under this contract is an officer or employee of County.

5.19 Compliance with Applicable Laws: Contractor shall comply with all applicable federal, state and local laws now or hereafter in force, and with any applicable regulations, in performing the work and providing the services specified in this Contract. If Contractor is given the opportunity to cure the breach but fails to do so within the time specified by County, County may terminate the Contract without further notice.

EXHIBIT A

1. SCOPE OF SERVICES:

A. Fee For Service Access:

Contractor will provide County access to bed space on a first come, first serve "Fee for Service" basis. County agrees to pay the all-inclusive "fee for service" daily rate from the day of admission to the day of discharge.

County is eligible to receive Medi-Cal reimbursement from the State of California, Department of Health Care Services for these bed days. County may place either Adult or Children patients at Contractor's psychiatric health facility (PHF).

The County Mental Health Plan (MHP) will determine the appropriateness of placement based on clinical medical necessity criteria.

B. Program:

Restpadd Psychiatric Health Facility operates a Psychiatric Health Facility (PHF) providing therapeutic and rehabilitation services in a non-hospital 24-hour inpatient setting. Services are provided to individuals experiencing an acute psychiatric episode or crisis, whose physical health needs can be met by an affiliated hospital or in outpatient setting.

The primary focus of the program is continuous diagnostic assessment of the individual's mental health status, stabilization and maintenance of the mental health condition, improvement of patient's functioning ability, and transitional planning with appropriate referrals. It is intended for individuals who have a qualified mental health condition or crisis requiring temporary care in a safe and secure environment.

Restpadd PHF plans to accept "involuntary" and "voluntary" adult patients who are referred from county mental health agencies who meet the admission criteria established for the program. All care provided by the PHF will be pre-authorized by the referring county mental health agency and subject to utilization review criteria for medical and service necessity.

Patients will be discharged or transferred from this facility when: 1) the patient has successfully completed a treatment plan and no longer meets medical or service necessity criteria, 2) the patient no longer meet criteria for an involuntary hold, or 3) the patient needs a higher level of medical or psychiatric care. It is expected that all patients moving to a lower level of care (e.g. board

and care, supervised living, etc) would be returned to the county of origin for placement or other disposition.

Restpadd Psychiatric Health Facility has established relationships with other providers to handle medical care, health emergencies, higher levels of psychiatric care and other referral needs.

This adult psychiatric program is designed for the treatment of adult patients, ages 18 and over, with primary psychiatric diagnoses. The following patients are excluded:

1. Patients who have the primary diagnosis of an eating disorder (anorexia nervosa or bulimia) as defined in Section 1254.5(b) of the California Health and Safety Code.
2. Patients who have the primary diagnosis of chemical dependency, chemical intoxication or chemical withdrawal.
3. Individuals with major mental disorders will not be admitted if their treatment requires medical interventions beyond the level appropriate to a psychiatric health facility, including:
 - a. detoxification from substance abuse
 - b. treatment for substance induced delirium
4. Disorders caused by chronic organic brain dysfunction.
5. Behavioral, cognitive and/or physical impairment which would render the patient unable to function at a minimally acceptable level within the treatment program, such as a medically unstable patient whose safety requires treatment in a medical surgical hospital.
6. Those who meet criteria for less restrictive treatment.

C. Average Length of Stay

The length of stay at the Restpadd PHF is planned to meet the acute psychiatric needs of the patients referred to the program. Restpadd PHF will accept both voluntary and involuntary patients who meet the admission criteria for the program.

It is expected that many of the patients referred to Restpadd PHF will be on an involuntary hold, which is limited to 72 hours. These patients may receive treatment beyond that time frame if they meet continued medical necessity.

To continue treatment, a patient must either agree to be treated on a voluntary basis or must be mandated to continue on an involuntary basis by the proper legal authority.

It is anticipated that the average length of stay at the PHF will be between 3 to 5 days. Stays of less than three days, or longer than five days, will be dependent on the individual needs of the patient. In all cases, individual care will be coordinated with the County MHP. Discharge planning and Aftercare will be coordinated with the patient's referring agency/caseworker to ensure post-discharge placement, medication support and social, vocational and educational services as appropriate.

D. Admission Process

Upon receipt of physician's orders and signed consent for treatment (or 5150), the patient meeting admission criteria will be admitted to Restpadd PHF. An initial assessment will be completed by a licensed nurse. The physician's admission orders and the nursing assessment then guide the preliminary treatment plan.

E. Assessment and Evaluation Procedures

Assessment of all patients begins on admission and is integral to the treatment process. Treatment planning is individualized according to individual needs identified through assessments. Primary assessments include the following:

Psychiatric Evaluation, Medical History and Physical, Nursing Assessment, Psychosocial History, Recreational Specialist Assessment

As indicated by patient need, physician and treatment team assessment, the following additional assessments may be provided:

Nutrition Assessment, Other Assessments: Laboratory, radiology, MRI, EKG/EEG, CT Scan, vocational, rehabilitation and other specialized consultations are ordered on an individualized basis to assure optimal utilization of resources.
