

NOTICE OF PUBLIC HEARING

The Siskiyou County Board of Supervisors will hold a Public Hearing on Tuesday, May 21, 2019, at 10:30A.M., in the Board of Supervisors' Chambers, Siskiyou County Courthouse, 311 Fourth Street, Yreka, California on the following item:

PRESLEY ZONE CHANGE (Z1809)

The proposed project consists of rezoning approximately 430.7 acres from Prime Agricultural (AG1) and Non-Prime Agricultural, 40-acre minimum parcel size (AG2B40) to Timber Production (TPZ). The project site is located on Guys Gulch Road, approximately 3.8 miles southwest of the community of Grenada, Siskiyou County, Calif., on APN014-340-320, 014-340-330, 014-340-340; Township 44N, Range 7W, Section 36, MDB&M (Latitude 41°36'56.45"N, Long 122°36'3.39"W).

It is anticipated that the boundary line adjustment project will be determined to be categorically exempt from CEQA pursuant to CEQA Guidelines Section 15061(b)(3) under the "common sense" rule that CEQA only applies to projects which have the potential for causing a significant effect on the environment.

The Board of Supervisors will consider the appropriateness of said environmental recommendation based on the record of evidence before them. If substantial evidence has been presented demonstrating a more appropriate environmental determination than the one that has been recommended, the Board of Supervisors may recommend an alternative environmental determination pursuant to the requirements of CEQA.

All publications are on file in the Planning Division office for public review, and all interested persons are invited to attend the meeting and be heard on any agenda item. In addition, a staff report will be available at the Planning Division office three working days prior to the Board of Supervisors' meeting. Please contact the Planning Division at (530) 841-2100 if you have any questions regarding this project.

All interested persons are invited to be present and be heard thereon or present comments in writing to the Board of Supervisors, 510 North Main Street, Yreka, CA 96097. All items presented to the Board of Supervisors during a public hearing, including but not limited to, letters, email, petitions, photos, or maps, become a permanent part of the record and must be submitted to the Clerk of the Board. It is advised that the presenter bring at least 7 copies of anything presented to the Board and that the presenter create copies in advance for their own records.

If you challenge the proposed CEQA determination or zone change in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to Planning prior to or at the public hearing.

LAURA BYNUM, County Clerk
