EXHIBIT C

COUNTY OF SISKIYOU – S.T.A.G.E  
BUS ADVERTISING POLICY AND REGULATIONS

I. Introduction

The County of Siskiyou's Board is ultimately responsible for the adoption of this policy and any amendments. The Siskiyou County Board of Supervisors intends that it is operating in a proprietary capacity and its vehicles constitute non-public forums that are subject to the viewpoint-neutral restrictions set forth below.

The Siskiyou County Board of Supervisors has approved the concept of commercial advertising on the exterior of its vehicles as a means of raising revenue for the transit system. Revenue generated from commercial advertising is returned to the general operating budget and used to reduce local contributions to fund operations.

In order to realize the maximum benefit from the sale of advertising space, the program will be managed in a manner that produces as much revenue as practical, while ensuring that advertising does not:

- Discourage the use of the transit system.
- Diminish The Siskiyou County Transit's reputation in the community.
- In any way interfere with operations or jeopardize the safety of passengers, employees, and the public.
- Cause offense to its customers or the general public.

The exterior of vehicles is reserved for commercial advertising only. In addition, a portion of the interior of buses will be available for commercial advertising, with Siskiyou County also making available free public service advertising space for public agencies and non-profit organizations.

Siskiyou County may, from time to time, also use exterior and interior vehicle advertising itself to promote public awareness of transit programs, services and promotions. This type of

# **Contract for Services Between County of Siskiyou – S.T.A.G.E And ADS In Motion**

advertising may include the display of flyers, brochures, posters and special advertisements.
