Subject: 2022 CAL FIRE Prevention Grant Program - Lake Shastina CEQA and Fuels Reduction Project: 21-FP-SKU-0214

To Whom It May Concern,

The Siskiyou County Board of Supervisors appreciates and supports your efforts to seek grant funding through the 2022 CAL FIRE Prevention Grant Program which can help to make our communities and neighborhoods in the Lake Shastina subdivision more resilient to the threat of wildfires.

The "Lake Shastina CEQA and Fuels Reduction Project", if implemented, will remove vegetation from heavily fuel-loaded areas that are prone to wildfire, and will clear ingress and egress routes critical for County residents and firefighting personnel.

Based on previous work, we know that the Fire Safe Council of Siskiyou County will be successful in implementing the above described projects, and we are excited to see the grant proposal receive funding.

The Board of Supervisors strongly supports the Fire Safe Council of Siskiyou County's grant application and we request that CAL FIRE give it your highest level of consideration.

Sincerely,

DocuSigned by:
