## Off-Highway Motor Vehicle Recreation (OHMVR) Division Grant Program 2022

The Sheriff's Office has requested matched grant funding from the State to support the initiation of a new OHV patrol program. The Sheriff's Office will enforce laws and regulations, educate the public on safe riding practices, be able to provide immediate first aid, and increase public safety in the event we encounter unapproved trails. Use the link below for an opportunity to review on the preliminary application.
