Dear Ms. Bynum and Supervisors Criss, Valenzuela, Kobseff, Ogren, and Haupt:

Subject: Public Health Solid Waste Hearing Panel

It is my understanding there will be an open position for the person at large on the County's Public Health Solid Waste Hearing Panel in September, 2022. I am interested in helping the County by serving on the Panel. My background and qualifications applicable to the position are summarized below.

I am registered as a Professional Engineer in Civil Engineering in the State of California.

While serving as Director of Public Works/City Engineer for the City of Yreka from 1998 to 2014, I was responsible for operation, maintenance, and engineering for the Yreka Landfill from 1998 to 2007 when the City sold its 50% interest in the Landfill to the County.

I have completed the training and certification as a Manager of Landfill Operations (MOLO) from the Solid Waste Association of North America (SWANA).

Thank you in advance for your consideration.
