## Notice of Intent (NOI)

Department:	Health and Human Services Agency - Behavioral Health Division
Project Manager/Contact No.	Maddelyn Bryan / 841-2748
Department Director/Contact No.	Sarah Collard / 841-4802
Project Name:	Permanent Local Housing Allocation Program (PLHA)
Amount of Grant:	\$ Up to \$3,673,117.00
Last Updated:	9/21/22

### Project Description:

Eight cities located in Siskiyou County have expressed interest in delegating their PLHA allocations to the County as allowed by the program. The program requires that jurisdictions submit an application based on an estimate of allocations for a five-year period. Jurisdictions that delegate funding must commit the entire 5-year's worth of allocations (2020-2024 NOFAs) to the receiving jurisdiction. If the County accepted funding from all eight cities, the five-year estimates combined would total \$3,673,117.00. This does not include the County's allocation for which HHSA already submitted an application.

### Summary:

HHSA intends to use delegated PLHA funding on solutions that prevent, reduce, and end homelessness. Possible activities include capitalized reserves for permanent supportive housing, operating subsidies for affordable rental housing, and services for households experiencing or at risk of homelessness.
