If "Yes" is clicked, the 302(c)(4) Plan worksheet opens a series of questions about what precise activities are planned. Some specific activities, such as providing downpayment assistance to lower-income households for acquisition of an affordable home, could be included under either Activity 2 or 9. Please only choose one of those Activities; don't list the downpayment assistance under both Activities.				
If the PLHA funds are used for the same Activity but for different Area Median Income (AMI) level, select the same Activity twice (or more times) and the different AMI level the Activity will serve. Please enter the percentage of funds allocated to the Activity in only the first Activity listing to avoid double counting the funding allocation.

§302(c)(4) Plan

Rev. 2/16/22

§302(c)(4)(A) Describe the manner in which allocated funds will be used for eligible activities.
 Siskiyou County plans to use the 2019-2023 allocations delegated from other jurisdictions for three eligible uses: capitalized reserves for services related to the creation of new Permanent Supportive Housing (PSH), operating subsidies for the creation of new affordable rental housing, and programs to assist households experiencing or at risk of homelessness. The County expects to utilize these funds on a minimum of three projects, two Permanent Supportive affordable rental housing projects and one emergency shelter with a navigation day center. Any funds remaining after the needs of these three projects are met will likewise be devoted to other PSH or shelter projects.

§302(c)(4)(B) Provide a description of the way the Local government will prioritize investments that increase the supply of housing for households with incomes at or below 60 percent of Area Median Income (AMI).
 Siskiyou County is investing in a new construction, fifty-unit apartment complex. Twenty-four units are reserved for Permanent Supportive Housing for tenants making no more than thirty percent of AMI. Twenty-five units will be available to households earning up to sixty percent AMI. The County is also in the initial planning stages of a collaboration with the City of Yreka to convert an existing building into PSH and affordable rental housing. Early projections for the project estimate a unit count of forty apartments. The County expects to restrict a significant portion of units for households receiving thirty percent or less of AMI.

§302(c)(4)(C) Provide a description of how the Plan is consistent with the programs set forth in the Local Government's Housing Element.
 The County's Plan to use PLHA funds for Activities 1, 5, and 6 is consistent with the goals and programs set forth in the 2014-2019 Housing Element. Goal HE.1. is to ensure the availability of a variety of housing types for all income levels throughout the County. Activity 1 supports affordable housing, which reflects Program HE.1.6: reviewing potential funding sources that can be used in support of affordable housing and submit funding applications as appropriate. Activity 5 supports services for permanent supportive housing. This reflects Program HE.1.8: exploring sources of funds that may be available to help fund the development of special needs housing. Goal HE.4 is to continue to facilitate the provision of housing suited to persons with special housing needs. Activity 6 supports case management services and navigation center/emergency shelter operations. This reflects Program HE.4.5: accessing state and federal funding necessary to acquire and/or operate homeless shelters and/or transitional housing in the County.

Activities Detail (Activities Detail (Must Make a Selection on Formula Allocation Application worksheet under Eligible Activities, §301))
