COUNTY shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to perform all duties and functions to maintain the level of service to be rendered hereunder. Notwithstanding anything contained herein, in all instances where special supplies, stationary, notices, forms and the like must be issued in the name of CITY, the same shall be supplied by CITY at CITY'S cost and expense.

2. Prosecution of Offenses. The CITY and COUNTY shall continue their existing practice regarding prosecution of offenses, with CITY responsible for prosecution and/or administering parking citations and City Ordinances, and COUNTY, through the County's District Attorney's Office, is responsible for the prosecution of all other offenses. There shall be no cost effect on the parties under this Section.

3. Custody and Coroner Functions. Under current law, conventional custody and Coroner functions are provided by the COUNTY's obligation and expense throughout the County of Siskiyou regardless of incorporated or unincorporated boundaries. Coroner functions include toxicology lab test. Therefore, the CITY will not be involved with the cost of Custody or Coroner services.

B. Level of Service.

1. COUNTY Recommendation. The level of service as per Exhibit A-1, workplace and/or geographical boundaries for law enforcement services to the CITY will be recommended by the COUNTY in advance of the application period(s) of

implementation, and no less than annually thereafter. The level of service refers to the sum of the direct staffing plan, support functions, equipment, capital structures, major assets, services, supplies, and other incidental costs attributable to the provisions of basic law enforcement services with the then current geographic boundaries of the City of DORRIS. The direct staffing plan is incorporated into this Agreement as Exhibit A-1 and will be reviewed at least annually for the applicable time period. In consultation with the CITY, the CITY may enhance the level of law enforcement services as defined under Exhibit "B," Section 3. "Supplemental Law Enforcement Services." Under no circumstance will existing service levels be reduced unless upon mutual agreement by CITY and COUNTY.

COUNTY and CITY may participate in CITY'S monthly Council meeting and discuss "Public Safety issues." These meetings may be held monthly or more frequently as required. This meeting may consist of at least the following: CITY Clerk or his/her designee, two CITY Council Members, CITY Code Enforcement or his/her designee, COUNTY Sheriff's Office Supervisor or his/her designee. The purpose of this meeting will facilitate timely review and discussion of enforcement issues and other public safety concerns.

2. No CITY Modification. In the event the CITY does not wish to modify the then-existing type or level of staffing provided under the terms of this MOU, no action need be taken by CITY or COUNTY and the then existing type or level of staffing shall continue unchanged until a written request is made pursuant to this Section or otherwise modified pursuant to the terms of this MOU.
 3. Cost Computation. COUNTY'S computation of costs shall be consistent with the provisions referred to in Exhibit B. Any disputes regarding the computation of costs under this Section shall be resolved by mutual agreement by both parties. The CITY shall receive written notice each year annually in September of any anticipated increases to this MOU as to provide time for preliminary budget creation with the specific type and level of staffing and assess budgetary impacts for the succeeding year.
- C. Specialized Law Enforcement Functions. Specialize law enforcement functions, such as: K-9; Search & Rescue (SAR); Hostage Negotiations; Special Response Team (SWAT/SRT); Dive Team; Hazardous Devices Team; Professional Standards (Internal Affairs Investigations); Major Crimes Investigations; Forensic Evidence Collection/Processing; Special Investigations Unit (Intelligence Gathering); Crime/Gang Intelligence Unit; and DARE and other Crime Prevention Program administration may also be provided within the City Limits as needed.

These are examples of planned and/or unplanned events usually requiring supplemental, short-term law enforcement services.
2. Response. COUNTY will respond with additional levels of law enforcement service determined by the COUNTY.
3. City Cost. The COUNTY will provide additional levels of law enforcement service as described in Section 3(A)(1) at regular rate to the CITY if and when it is capable of doing so. This will first be accomplished using existing staff during regular scheduled work hours if/when such services would not unreasonably interfere with the Sheriff Office's general law enforcement services to the unincorporated portions of the County and/or by requesting/using neighboring law enforcement service agencies through mutual aid. The procedures set forth herein are designed to keep CITY'S costs to a minimum and are consistent with current practices. Any additional services requiring overtime will be at the overtime rate specified in Exhibit "B," Section 3(B).

4. Personnel Management.

The planning, organization, scheduling, direction, supervision, standards of performance and discipline of Sheriff's personnel, and all other related matters incidental to the delivery of General Law Enforcement Services to the CITY shall be as determined by the Sheriff. Nothing

herein shall be deemed to limit the Sheriff's authority to move, transfer and/or discipline Sheriff's Office personnel as the Sheriff's discretion deems appropriate.

- C. City Recommendations/Input. CITY may provide input and recommendations on the assignment and transfer of personnel as a consequence of services and functions performed under this MOU, and such recommendations shall be considered in good faith by the Sheriff in determining the appropriate course of action, if any. CITY will also be allowed to provide information to the CITY Police Chief in his/her preparation of COUNTY personnel providing services under this MOU.

CITY may provide input based on general citizen concerns, setting performance measures, and identify goals and objectives through direct communication based on open and honest dialogue between CITY and COUNTY. CITY Police Chief will attend CITY Public Safety meetings and CITY Council meetings to facilitate this function.

- D. Employee Pay Issues. City shall not assume any liability for the direct payment of any salaries, wages, or other compensation to any COUNTY personnel performing services hereunder for CITY. 7. **Maintenance of Records**

COUNTY shall keep reasonably itemized and detailed records and reports as required by law, grants and/or generally accepted accounting principles on behalf of CITY. Each COUNTY employee performing services for CITY shall record activities attributed to the City of DORRIS. CITY understands and accepts that various records may be destroyed after specific time periods have passed and thus may be unavailable.

8. **Monthly and Annual Reports.**

Within fifteen (15) days after the end of each calendar month, COUNTY shall provide CITY a monthly report of law enforcement service statistics. COUNTY further shall provide CITY an “annual report” due to the CITY February 1ST of each following year and placed on the next available City Council Agenda in February. Exhibit “B” – Payment Methodology

The purpose of Exhibit B is to address contract fiscal issues.

1. General Compensation

In consideration for the services to be performed by COUNTY, CITY agrees to pay COUNTY in proportion to services satisfactorily performed as specified in Exhibit “A-1,” Section 3, the not to exceed amount of (Two Hundred Ten Thousand One Hundred Dollars and no/100’s) \$210,100.00 annually for General Law Enforcement Services detailed in Exhibit “A,” Section 2. An additional amount not to exceed (Nine Thousand One Hundred Fifty Two Dollars and no/100) \$9,152.00 annually for Supplemental Law Enforcement Services as detailed in Exhibit “A,” Section 3.
