Project Name:	Emergency Solutions Grant CARES Program
Amount of Grant:	\$ 250,000
Last Updated:	12/20/2022

Project Description:

In 2021, Health and Human Services received one-time funding as a subrecipient of the NorCal Continuum of Care (CoC) for the Emergency Solutions Grant CARES Program (ESG-CV). Funds provided emergency shelter during the winter to households experiencing homelessness. Due to HHSA's successful performance for this grant, the CoC has requested the agency submit an application to receive additional funding from the ESG-CV program.

Summary:

HHSA intends to submit a request for \$250,000 in additional ESG-CV funds from the CoC. A panel selected from the NorCal CoC Executive Board will review the request. If selected for additional funds, HHSA will present a contract amendment to the Board of Supervisors. HHSA will continue to provide the same emergency shelter and supportive services as authorized through the original contract.
