3.0 COMMENTS AND RESPONSES TO COMMENTS ON THE PARTIAL RECIRCULATED DRAFT EIR

3.0.1 Introduction

This section of the FEIR assesses the expected environmental impacts resulting from the approval and implementation of the proposed project and responds to comments received on the Partial Recirculated Draft EIR (referred to as Partial Recirculated Draft EIR or Partial Recirculated DEIR).

3.0.2 List of Commenters

The following individuals and representatives of organizations and agencies submitted written comments on the Partial Recirculated Draft EIR. To assist in referencing comments and responses, the following coding system is used:

- Agency and service provider comment letters are coded by letters and each issue raised in the comment letter is assigned a number (e.g., Comment Letter A, comment 1 is referred to as A-1).
- Individual and interest group comment letters are coded by numbers and each issue raised in the comment letter is assigned a number (e.g., Comment Letter 1, comment 1 is referred to as 1-1).

Note that the numbering has been continued from those comment letters received on the DEIR. See Section 2.0.
