Project Name:	CA Public Health Infrastructure
Amount of Grant:	\$609,957
Last Updated:	2.28.2023

### Project Description:

SCPHD has been allocated \$609,957 for the project period of Dec 1 2022- Nov 20 2027 by CA Department of Public Health to advance the workforce, foundational capabilities, and data modernization of the department, in alignment with the state's objectives.

### Summary:

SCPHD will utilize funding to support the implementation of activities which are grounded in the three key principles of the funding: the need for data and evidence to drive planning and implementation, the critical role that partnerships will play in success, and the imperative to direct resources in a way that supports health equity.
