State medium income threshold retrieved from: U.S. Census Bureau; Management Bulletin 19-03, 2019, California Department of Education, Sacramento, CA (retrieved from <https://www.cde.ca.gov/sp/cd/ci/mb1903.asp>). Estimates of the number of children eligible for state or federally subsidized services under current state regulations include those who are income-eligible and have a qualifying need for care, such as a parent working, in school, or looking for work. In addition, all children in foster care are automatically considered eligible. The estimates do not include homeless children, as the data source for these estimates is the ACS, which is a survey of households., by location of family residence.
