REASONS THAT REQUESTED APPROVAL IS CONSIDERED (STATE):			
Siskiyou County advertised this project for 3-weeks in the newspaper, on the county website, as well as on 12 Builder Exchanges. 3 bids were received. The first and second low bid prices were within \$110,304 of each other and were 8.4% to 12% below the Engineer's Estimate. The third low bid was submitted by a DBE contractor, but was non-responsive due to failure to submit the required DBE forms. If project award is delayed, project funding will be at risk due obligation/delivery deadlines associated with the STIP funding.
