The County shall not be entitled to withhold or delay payments due to Sun Ridge pursuant to the above Payment Schedule due to delay in the delivery, installation, or testing of Software items described in Exhibit A where the delay is the result of action or inaction or breach of this Agreement by the County, its agents or employees or the action or inaction of a third party which is not within Sun Ridge’s reasonable control.

Section 5. Invoices. Invoices shall be sent to:

SISKIYOU COUNTY SHERIFF’S OFFICE

In addition to any other amounts for which County is liable under this Agreement, County agrees to pay to Sun Ridge a late charge equal to one percent (1%) of the amount due if County fails to pay Sun Ridge any amount that is due and owing pursuant to this Agreement within sixty (60) days after County's receipt of an invoice from Sun Ridge. The Project schedule is to be separately generated and agreed to between the parties. Notwithstanding the foregoing, the License described in Section 9 below will remain in effect until it is terminated pursuant to Section 9.

Section 7. Warranty/Disclaimer of Liability.

a. Sun Ridge warrants that upon delivery the Software substantially conforms to its Documentation and is free from defects that will materially impair its use. The County's sole and exclusive remedy for breach of this warranty will be repair or replacement of the Software. Sun Ridge will make reasonable efforts to correct errors in the Software, but does not warrant that the Software is error-free or will perform without interruption. The County has relied solely upon its own investigation and judgment in selecting the Software and not upon any representations or promises of Sun Ridge except as may be expressly stated in this Agreement.

b. THE FOREGOING WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES PERTAINING TO THE SOFTWARE, EXPRESS OR IMPLIED, AND SUN RIDGE SPECIFICALLY DISCLAIMS ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

c. IN NO EVENT WILL SUN RIDGE BE LIABLE FOR LOST BUSINESS, INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, HOWEVER CAUSED, WHETHER FOR BREACH OF WARRANTY, CONTRACT, TORT (INCLUDING NEGLIGENCE, STRICT LIABILITY, OR OTHERWISE) ARISING OUT OF THE QUALITY, CONDITION OR USE OF THE SOFTWARE OR ANY OTHER PART OF THE PRODUCT. IN NO EVENT WILL SUN RIDGE BE LIABLE FOR ANY AMOUNT WHICH EXCEEDS THE AMOUNT PAID BY THE COUNTY FOR THE PRODUCT.

Section 8. Final Acceptance. For thirty (30) days from the beginning of the County's Operational Use of the Software or forty (40) days after the completion of installation and training by Sun Ridge, whichever comes first (the "Test Period"), the County shall test the system for defects and anomalies. "Operational Use" is defined as the County's use of the Sun Ridge Software in the course of the County's daily business activities. During the Test Period, Sun Ridge shall address and attempt to resolve issues with the Software identified by the County under the Software Support Services Agreement (Exhibit C). At the end of the Test Period, the County shall accept or reject the Software as follows:

a. If the County determines that the Software is performing to its satisfaction it shall immediately provide written notice to Sun Ridge of final acceptance of the

Software ("Final Acceptance Notice"), and upon receipt of a valid invoice from Sun Ridge, shall process and pay the final milestone of the Contract Amount including any additional outstanding milestone Payment Amounts. Any remaining issues with the Software shall be covered as part of the original cost of the system and handled as maintenance items under the Software Support Services Agreement (Exhibit C).

b. If the County decides to not accept the Software, then it must so notify Sun Ridge in writing within five (5) calendar days after the end of the Test Period (a "Rejection Notice"). If a Rejection Notice is given, this Agreement shall be automatically terminated and all payments already made by the County to Sun Ridge, less the cost of project management, installation, data conversion, and training services provided up to the date of termination shall be returned to the County by Sun Ridge within thirty (30) days after receipt of the notice. The terms of Section 11 and all other provisions of this Agreement that expressly survive such termination shall apply.

c. If the County fails to provide a Final Acceptance Notice or a Rejection Notice within five (5) calendar days after the end of the Test Period, then the County's final acceptance of the Software shall be considered to have occurred and the County and Sun Ridge shall proceed as described in section 8.a above.

Section 9. Software License. Subject to the terms, conditions, limitations and restrictions set forth in this Agreement, Sun Ridge grants to the County a nonexclusive and non-transferable license, effective upon the County's Final Acceptance of the Software pursuant to Section 8 above, to use the Software in connection with the County's normal and customary daily operations substantially as they exist as of the date of commencement of the Term as described below (the "License"). The County shall acquire no ownership or other rights in or to the Software except for the License granted hereunder, and title to the Software shall at all times remain with Sun Ridge.

viii. The County acknowledges that the Software and the Documentation constitute trade secrets of Sun Ridge. The County agrees to maintain the confidentiality of the Software and the Documentation, and shall take commercially reasonable steps to preserve that confidentiality pursuant to Section 12 of this Agreement.

b. The term of the License shall commence upon Final Acceptance of the Software by the County, and shall continue until the License is terminated as provided below.

i. Sun Ridge may immediately terminate the License in the event of any failure by the County to comply with the terms or conditions of this Agreement by giving written notice of such termination to the County. In the event the County has leased the Software from Sun Ridge, the License will terminate automatically upon termination of the lease. Upon such termination, the County shall immediately cease further use of the Software and will cause all copies of the Software to be destroyed or returned to Sun Ridge.

ii. The County may terminate the License at any time by giving written notice thereof to Sun Ridge and by destroying or returning to Sun Ridge all copies of the Software. The County acknowledges and agrees that any election by the County to terminate the License hereunder will not entitle the County to any refund of amounts paid or compensation of any kind from Sun Ridge.

iii. Upon any termination or expiration of the License, an authorized representative of the County shall certify in writing to Sun Ridge that all copies of the Software and the Documentation which were the subject of the License have either been destroyed or returned to Sun Ridge as required above.

iv. The provisions of Sections 7 and 11 through 13, inclusive, shall survive the expiration or termination of this Agreement.

c. Sun Ridge may, at its option, release updates to or new versions of the Software. If the County elects to obtain any update or new version of the Software, the use of such update or new version will be subject to the terms and conditions of this Agreement.

Data conversion is an iterative process requiring the resources of your agency to be available to review converted data as soon as it is loaded and report any errors found to Sun Ridge. We recommend that you identify at least two people to be part of a data conversion review team. It will be this team's responsibility to promptly review the converted data once it is loaded into RIMS, identify any problems with the converted data, and report those problems to us in an organized manner.

Sun Ridge will then correct the reported errors, re-run the conversion, reload it onto your system and ask your staff to again review the data. The cycle is repeated as often as is necessary to ensure that the data conversion is as complete and correct as possible. To assist you with the review process, Sun Ridge will have trainers available via phone and remote access to guide you. The Sun Ridge trainer is NOT responsible to completely review or identify errors in the converted data. They are responsible for facilitating the process with your staff.

Sun Ridge will provide two (2) days of onsite (one for RMS and one for JMS) for final data conversion review with designated County representatives in the days immediately before you go live on RIMS.

3. **County equipment and software responsibilities.** The County agrees to allow Sun Ridge to remotely connect to the County's system when a problem is reported. Sun Ridge uses Bomgar Remote Support Software for this purpose. Bomgar software provides superior security and does so over an ordinary internet connection via a Sun Ridge server that hosts a Bomgar security hardware device.

Sun Ridge will use this connection to examine data files related to reported problems and to provide updates and corrections when necessary.

4. **Provision of software updates.** Sun Ridge will provide at no additional cost all new enhanced and updated versions of software licensed to the County. This Software will be provided with detailed installation instructions for installation by the County. If

PC and network operating system software and Microsoft SQL Server database system software is similarly not included, although Sun Ridge may assist the County in isolating problems to this software. Also specifically excluded is responsibility for administration, support, or maintenance of your server, computer network, operating systems, or database (Microsoft SQL Server).

The County may request that Sun Ridge provide support services outside the limitations of this Support Services agreement. If Sun Ridge agrees to provide any requested additional support services, which Sun Ridge may do or decline to do in its sole discretion, such support services will be provided at Sun Ridge's then-current rate and on such other terms and conditions as Sun Ridge may require.

This agreement does not include equipment maintenance or assistance in diagnosing hardware problems including but not limited to PCs, printers, network, scanners and other computer peripheral devices with the exception that Sun Ridge will assist the County in determining whether a problem is RIMS application software in nature.
