GRANT NO. F21AC02524-02	

SCOPE OF WORK

1. Project Description

The Service hereby incorporates the recipient's application submitted to and approved by the Service into these award terms and conditions.

This amendment is to provide funding for continued work as outlined in the base award Project Description.

To conserve wolves in California, deter the potential for livestock depredation, and reduce livestock-wolf interaction, Siskiyou County will provide technical assistance to livestock producers by responding to potential wolf sightings and reports, and assisting with implementation of non-lethal wolf-deterrent measures that are recommended by the California Wolf Management Plan. In addition, Siskiyou County will fund a livestock carcass disposal project.

Siskiyou County Department of Agriculture has an existing contract in effect with Patrick Griffin as the SCDA Wolf Liaison. This amendment's additional funding will enable his continuance as SCDA's Liaison and completing the following tasks listed below.

Tasks:

1. Outreach/Education to landowners, including notification in cooperation with the California Department of Fish and Wildlife, when known locations are nearby.
2. Support "Wolf Deterrent" use for private landowners (fencing, fladry, penning, training of guard or alert dogs, range riders/herders, alarms or other tools – see "Livestock and Wolves: A Guide to Nonlethal Tools and Methods to Reduce Conflicts."
3. Financial support for trail-cams to detect wolves. Verified sightings will be communicated through the California Department of Fish and Wildlife and cannot be shared with any non-County, State or Federal persons to ensure the safety of wildlife. Provide detection information to the Siskiyou County Agricultural Commissioner.

The Service will be substantially involved by coordinating with the SCDA Wolf Liaison regarding information and actions needed to prevent wolf/livestock interactions. Service staff will continue to lead the interagency meetings to plan and implement the livestock carcass composting project. The Service will continue to be involved in facilitating the final construction of the pilot livestock carcass composting project.

Description of activities and budget outlay are attached to this Amendment.

Additional funds are needed to maintain our SCDA Wolf Liaison due to the substantial increase in wolf depredations of cattle, and subsequent increases in efforts to support and coordinate with landowners to protect their livestock. In addition, increased numbers of wolves in Siskiyou County are making these efforts ever more important. We expect continued increases in wolf populations as we progress in time and will need to support efforts to minimize wolf/livestock interactions through our SCDA Wolf Liaison program. Existing funds will be used to cover personnel, supplies, and personnel hours from public works for the ongoing livestock composting project installation.

Siskiyou County Department of Agriculture has an existing contract in effect with Patrick Griffin as the SCDA Wolf Liaison. The additional funding requested will enable his continuance as SCDA's Liaison and completing the following tasks listed below.

Tasks:

1. Outreach/Education to landowners, including notification in cooperation with the California Department of Fish and Wildlife, when known locations are nearby.
2. Support "Wolf Deterrent" use for private landowners (fencing, fladry, penning, training of guard or alert dogs, range riders/herders, alarms or other tools – see "Livestock and Wolves: A Guide to Nonlethal Tools and Methods to Reduce Conflicts."
3. Financial support for trail-cams to detect wolves. Verified sightings will be communicated through the California Department of Fish and Wildlife and cannot be shared with any non-County, State or Federal persons to ensure the safety of wildlife.

Provide detection information to the Siskiyou County Agricultural Commissioner.

We are asking for \$20,000.00 to help with costs for SCDA Wolf Liaison based on the following costs:

Patrick averages 80-100 hours per quarter at the contracted rate of \$50.00/hr plus mileage. His mileage averages 800-1100 miles per quarter at current IRS mileage rate. 2023 rate is \$0.655/mi.

Average hourly amount per year = \$16,000.00 to \$20,000.00

Average mileage per year (at current IRS rate) = \$2,096.00 to \$2,882.00
