FFATA Financial Disclosure

The Federal Funding Accountability and Transparency Act (FFATA) requires information on federal awards be made available to the public and is submitted by the California Governor's Office of Emergency Services (Cal OES) to www.fsr.gov. This is done in order that the government be held accountable for each spending decision. As a subrecipient of federal funds, you will be unable to draw down funds until this signed form is returned to Cal OES.

The Total Compensation and Names of the top five executives must be reported in the table on this form if your business or organization meets **both** of the following criteria:

- a) 80% or more of annual gross revenues are from Federal awards (contracts, sub-contracts, and Federal financial assistance), and \$25,000,000 or more in annual gross revenues from Federal awards; and,
- b) Compensation information is not already available through reporting to the Securities and Exchange Commission.

If your business or organization does **NOT** meet **BOTH** criteria, check the box below, sign, and return to Cal OES Financial Processing Unit.

Not subject to FFATA Financial Disclosure.
