A "categorical exemption" certifies that the project will not result in any significant adverse environmental effect. The Board of Supervisors will consider the appropriateness of said environmental recommendation based on the record of evidence before them. If substantial evidence has been presented demonstrating a more appropriate environmental determination than the one that has been recommended, the Board of Supervisors may require and/or approve an alternative environmental determination pursuant to the requirements of CEQA. All project documents are on file at the Planning Division of the Siskiyou County Community Development Department and are available for public review.
