WHEREAS, SB 628, effective as of January 1, 2015, allows a city or county to create a separate government entity known as an “Enhanced Infrastructure Financing District” (EIFD) within a defined area to finance certain infrastructure projects with community-wide benefits; and

WHEREAS, pursuant to Chapter 2.99 of Part 1 of Division 2 of Title 5 of the California Government Code (commencing with Section 53398.50) (the "EIFD Law"), the City Council of the City of Mount Shasta ("Council") is authorized to initiate the process to establish an EIFD; and,

WHEREAS, EIFDs are financed through tax increment generated from the growth in property taxes collected from within a designated district boundary. There are no new taxes or impacts to the property owner within an established EIFD; and,

WHEREAS, EIFD tax increment may be used to pay for a variety of public facilities and other projects authorized by the EIFD Law within the established EIFD boundaries or outside of the established EIFD boundaries if there is a tangible connection to the work of the EIFD, including but not limited to infrastructure such as roads, utilities, streetscapes, parks and public recreation, or other community facilities. Funding may also be used to facilitate public-private activities by enticing development with infrastructure development and expansion, including new industrial-manufacturing facility construction and repair, and brownfields remediation. Affordable housing, including affordable senior housing, is also an eligible activity; and,

WHEREAS, the City, supported by the Siskiyou County Economic Development Council (SEDC), was awarded a grant from the United States Economic Development Administration (EDA) for EIFD feasibility study technical advisory services. The City then retained Kosmont & Associates, Inc. DBA Kosmont Companies through a competitive procurement process as the consultant to provide the necessary technical analysis and advisory; and,

WHEREAS, on September 12, 2022, City Council expressed preliminary interest and direction for City staff during a City Council Meeting to move forward with initial EIFD formation activities, including discussion with the County of Siskiyou regarding potential partnership in the EIFD; and,

EXHIBIT A - City of Mt. Shasta Resolution

WHEREAS, the prerequisites set forth in Government Code Section 53398.54 have been complied with prior to the City initiating the creation of or participating in the governance of the EIFD, and the City will provide the required certification to the California Department of Finance (“DOF”) in accordance with the EIFD Law; and,

WHEREAS, the proposed boundaries of the Mount Shasta EIFD are identified on Exhibit A entitled "Proposed Mount Shasta EIFD Boundary", a copy which is on file in the office of the City Clerk; and,

WHEREAS, the EIFD will be governed by a Public Financing Authority ("PFA") board which will be responsible for implementing the Infrastructure Financing Plan for the EIFD ("IFP"), and the PFA is required to be established by the City Council at the same time that the Council adopts its intention to form the proposed EIFD; and,

WHEREAS, this action is exempt from the California Environmental Quality Act (“CEQA”) as an action solely related to financing and is not in-and-of itself a “project” (pursuant to CEQA Guidelines Section 15378) since it does not result in a physical change in the environment because the City has not committed itself to fund any specific projects through the EIFD. However, future actions (such as the funding and/or approval of infrastructure improvements using funding from the EIFD) will be subject to environmental review in accordance with CEQA.

NOW, THEREFORE, the Mount Shasta City Council does hereby find, determine, conclude, and resolve as follows:

Section 1. The City Council of the City of Mount Shasta proposes and intends to cause the establishment of an EIFD under the provisions of the EIFD Law.

Section 2. The name proposed for the EIFD shall be the “Mount Shasta Enhanced Infrastructure Financing District.”

Section 3. The proposed boundaries of the EIFD are as shown on Exhibit A attached hereto, which are preliminarily approved and on file in the office of the City Clerk and incorporated herein by reference.

Section 4. The types of public facilities and development proposed to be financed or assisted by the EIFD pursuant to the EIFD Law are those listed on Exhibit B, attached hereto and incorporated herein by reference.

Section 5. The City Council hereby finds that the EIFD is necessary for the area within the boundaries of the EIFD and the City. The City Council's stated goals for the EIFD are to create a means by which to assist in the provision of public facilities or other specified projects of communitywide significance that provide significant benefits to, promote economic development of, and enhance quality of life within, the boundaries of the EIFD or the surrounding community.

Section 6. The City Council hereby declares that, pursuant to the EIFD Law and if approved by resolution pursuant to Government Code Section 53398.68, incremental property tax

EXHIBIT A - City of Mt. Shasta Resolution

revenue from the City of Mount Shasta and some or all other affected taxing entities within the EIFD may be used to finance the activities described in Section 4 and listed on Exhibit B. The incremental property tax financing will be described in an IFP to be prepared for approval by the PFA, the City Council, and the legislative bodies of all participating taxing entities under EIFD Law.

Section 7. The City or County of Siskiyou may allocate tax revenues derived from local sales and use taxes imposed pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law (Part 1.5 (commencing with Section 7200) of Division 2 of the Revenue and Taxation Code) or transactions and use taxes imposed in accordance with the Transactions and Use Tax Law (Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code) to the EIFD pursuant to Government Code Section 53398.75.5, if applicable. The City Council does not intend to contribute sales and use taxes or transactions and use taxes to the EIFD.

Section 8. The City Council hereby establishes the “Public Financing Authority of the Mount Shasta Enhanced Infrastructure Financing District” to serve as the governing board of the EIFD:

- A. The PFA membership shall be comprised initially of three members of the City Council appointed by the City Council and two public members selected by the City Council. Members shall serve at the pleasure of the City Council, as the case may be, and shall serve until their successor assumes office.
- B. The City Council further declares that, pursuant to Government Code Section 53398.51.1, should another taxing entity agree to participate as a taxing entity, then the PFA membership shall be modified in accordance with Government Code Section 53398.51.1. For example, if the County of Siskiyou (“County”) agrees to participate as a taxing entity and the participating taxing entities consist of the City and the County, then the PFA membership shall be modified to be two members of the City Council, one member of the County Board of Supervisors (“Board of Supervisors”), and two public members jointly selected by the City Council and the Board of Supervisors. Members shall serve at the pleasure of their respective appointing legislative bodies and shall serve until their successor assumes office.
- C. The legislative body of each participating taxing entity may appoint one of its members to be an alternate member of the PFA board who may serve and vote in place of a member who is absent or disqualifies themselves from participating in a meeting of the PFA.
- D. The members are subject to compliance with the EIFD Law and all

EXHIBIT A - City of Mt. Shasta Resolution

applicable ethics laws, including Article 2.4 (commencing with Section 53234) of Chapter 2 of the Government Code.

- E. The City Council, and the governing bodies of any other participating entities shall comply with Government Code Section 54974.

Section 8. The City Council hereby sets the time and place for a public hearing of the PFA, the proposed EIFD and IFP, to be held on February 12th, 2024, at 5:30 p.m., or as soon thereafter as the matter may be heard, at City Hall Council Chambers, City Park Upper Lodge, 1315 Nixon Road, Mt. Shasta, California.

Section 9. Pursuant to Government Code Section 53398.60, the City Clerk is hereby directed to mail a copy of this Resolution to the PFA and each owner of land (as defined in the EIFD Law), or alternatively with respect to the owners of land may mail a single-page notice of intention identified in Government Code Section 53398.60(b), within the EIFD and to each affected taxing entity (as defined in the EIFD Law). In addition, the City Clerk is hereby directed to cause notice of the public hearing to be published not less than once a week for four successive weeks in a newspaper of general circulation published in the City. The notice shall state that the EIFD will be used to finance public works, briefly describe the facilities, briefly describe the proposed financial arrangements, including the proposed commitment of incremental tax revenue, describe the boundaries of the proposed EIFD and state the day, hour, and place, when and where any persons having any objections to the proposed IFP, or the regularity of any of the prior proceedings, may appear before the PFA and object to the adoption of the proposed IFP.

Section 10. As the City did not have a Redevelopment Agency, EIFD formation prerequisites involving a Successor Agency Finding of Completion from the DOF do not apply.

Section 11. As the City did not have a Redevelopment Agency, EIFD prerequisites involving certification to the DOF and to the PFA that no former Redevelopment Agency assets have been or will be used to benefit any efforts of the EIFD do not apply. The City Clerk is authorized and directed on behalf of the City to provide or make this clarification to the DOF within 10 days after the City Council's action to participate in the EIFD pursuant to Government Code Section 53398.68 or the City Council's action to form the EIFD pursuant to Government Code Section 53398.69, by delivery of a copy of the appropriate Resolution or signing a separate certification, if and as required by the DOF.

without the severed portion.
