The Holm Agricultural Preserve Amendment and Williamson Act Contract Rescission and Reentry (APA2317)

The project proposes to rescind the applicant's property from the current Williamson Act contract with subsequent re-entry while simultaneously amending the existing agricultural preserve in order to bring all properties under one individual Agricultural Preserve and one individual Williamson Act Contract with the commercial agricultural use of rangeland and pasture for livestock production and forage. The project site is located south of the City of Yreka on APNs 014-300-080, 014-300-360 and 014-300-370, Township 44N, Range 7W, Section 12, MDB&M (Latitude 41.672°, Longitude 122.607°).

It is anticipated that the proposed agricultural preserve and Williamson Act contract amendments will be determined to be categorically exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15317, Open Space Contracts or Easements. A "categorical exemption" certifies that the project will not result in any significant adverse environmental effect. The Board of Supervisors will consider the appropriateness of said environmental recommendation based on the record of evidence before them. If substantial evidence has been presented demonstrating a more appropriate environmental determination than the one that has been recommended, the Board of Supervisors may require and/or approve an alternative environmental determination pursuant to the requirements of CEQA.

The public may attend by zoom/teleconference or in person. All interested persons are invited to be present and be heard thereon or present comments in writing to the Board of Supervisors, 311 Fourth Street, Room 201, Yreka, CA 96097 or to the following email: wendy@sisqvotes.org. All items presented to the Board of Supervisors during a public hearing, including but not limited to, letters, e-mail, petitions, photos, or maps, become a permanent part of the record and must be submitted to the Clerk of the Board. It is advised that the presenter bring 7 copies of anything presented to the Board and that the presenter create copies in advance for their own records.

All project documents are on file at the Planning Division of the Siskiyou County Community Development Department and are available for public review and a staff report, and all attachments will be available for public review three working days prior to the Board of Supervisors meeting either at the Planning Division office or online on the Siskiyou County website.

If you challenge the categorical exemption, Williamson Act contract and/or Agricultural Preserve amendment in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to Planning prior to or at the public hearing.

Laura Bynum, County Clerk
