Preamble

This agreement between the County of Siskiyou (County) and the Organized Employees of Siskiyou County (OESC) – Professional Unit, has as its purpose the promotion of harmonious labor relations between the County and OESC, and the establishment of rates of pay, hours of work, and other conditions of employment.

Article 1 - Recognition

The County recognizes OESC as the sole and exclusive representative for regular employees in the classifications in Appendix "A" Recognition as amended.

Article 2 - Association Rights

2.1. Association Payroll Deduction

Upon certification from OESC that an employee has signed an authorization for the deduction of dues, the County makes payroll deductions in an amount determined by OESC. The County will promptly remit deductions to OESC with a list of dues paying members. The County may transmit payment to OESC through Electronic Funds Transfers (EFT). Employee requests to cancel membership dues deductions must be directed to OESC. Upon notification from OESC that an employee has canceled membership, the County will promptly cease dues deductions from the employee's paycheck. The County may only request a copy of a dues authorization card in the event of a dispute. OESC must hold the County harmless from any and all claims and will indemnify it against any unreasonable costs in implementing these provisions, and will indemnify the County for any claims made by the employee for deductions made in reliance on that certification, in accordance with Government Code §1157.12(a).

2.2. Employee Lists

The County provides the Association with the name, job title, department, home or personal contact telephone numbers, work and personal email, and home address of new employees within thirty (30) days of hire, and a complete list of all employees every quarter. Employees may opt out in writing of the disclosure of their home address, home telephone number, personal cellular telephone number and personal email address on file with the employer.

2.3. Employee Orientation

Employees who are not scheduled to attend an in-person, new employee orientation are allowed thirty (30) minutes to attend an Association orientation scheduled by OESC within sixty (60) days of hire. The employee must notify their supervisor reasonably in advance to secure this paid release time. The County may not unreasonably deny release time to attend a new employee orientation.

2.4. Notice of Meet and Confer

The County will provide notice to the Association President regarding changes in job classifications or policy that fall within the scope of representation under the MMBA. The Association has fifteen (15) days to request a meet and confer.

2.5. Bulletin Boards

OESC may use available bulletin board space for communications concerning official organizational business (meeting notices, etc.). Use may not interfere with the needs of the department.

Posted notices are subject to County approval (not prior), must have clearly indicated removal dates, may not contain any inflammatory or derogatory statements, and may not violate any County Policies.

Article 3 - County Rights

The rights of the County include, but are not limited to, the exclusive right to determine the mission of its constituent departments, commissions and boards; set standards of service; determine the procedures and standards of selection for employment and promotion; direct employees; take disciplinary action; relieve employees from duty because of lack of work or for other legitimate reasons; maintain the efficiency of governmental operation; determine the methods, means and personnel by which government operations are to be conducted; determine the content of job classifications; take all necessary action to carry out its mission in emergencies and exercise complete control and discretion over its organization and the technology of performing its work.

3.1. Volunteers/Contracting Out

The County uses volunteers. Should the County intend to significantly expand the use of volunteers and as a result cause the displacement of employees, the County will so notice the Association and upon request, meet and confer with the Association on the impact of the expanded volunteer use.

In those instances where the County elects to contract out or has contracted out work, activities, or services as determined to be in the County's best interest, and which do not displace any current, represented employee(s) the County shall not be obligated to provide any notice or any information to the Association.

The County reserves the right to contract out at its sole discretion.
