Project Description:

The California Interagency Council on Homelessness released the Notice of Funding Availability for Round 5 of the Homeless Housing, Assistance and Prevention (HHAP-5) Grant. Eligible applicants include counties, Continuums of Care, and California's 14 largest cities. HHAP-5 funds efforts to address homelessness. If approved HHSA will use this funding to continue and/or augment housing services.

Summary:

To be eligible for HHAP-5, applicants must apply as part of a region and be signatory to a Regionally Coordinated Homelessness Action Plan. The NorCal Continuum of Care (Norcal CoC) and the seven counties within its jurisdiction are preparing a joint application and MOU to be submitted as part of the HHAP-5 application. HHSA will present these materials to the Board of Supervisors for approval and request authorization for the CAO to receive and execute the grant agreement if awarded.
