Subject: Proposed Lava Roads Repair Projects

Dear Mr. Sundal:

The Siskiyou County Board of Supervisors would like to express our support of the Shasta-Trinity National Forest's proposed *Lava Roads Repair Project*, and we encourage the Shasta-Trinity National Forest to complete activities to the maximum extent possible. Repair of existing roadways and decommissioning of unnecessary roads will provide safe egress for communities as well as assist other agencies as they conduct other needed projects.

We entrust the local ranger and their team to identify roads in need of repair and those which should be decommissioned in the best interests of the local communities as well as those charged with managing the forested areas.

Please contact Elizabeth Nielsen, Deputy County Administrator at enielsen@co.siskiyou.ca.us or (530) 842-8012, if you have any questions or would like to discuss this further.

Sincerely,

DocuSigned by:
