2. **PURPOSE AND TERM.** County hereby leases to Tenant, and Tenant hereby leases from County, hangar space 100 (the "Hangar"), situated at the Airport, for storage of Tenant's

County of Siskiyou – Hangar Rental Agreement

aircraft and associated aeronautical equipment and supplies, as identified in Exhibit “A” attached hereto. This hangar is identified as a boxed hangar. (As specified in Exhibit “A”, this hanger space may consist of a boxed hangar, an open hangar, or a nested hangar.

This Agreement shall commence (“Commencement Date”) on December 15, 2023 and shall constitute a fixed term agreement for 60 Months (not less than six months or more than five years), terminating on December 14, 2028, or month-to-month tenancy if this space is initialed_____. A month-to-month tenancy may be terminated by either party with thirty (30) days written notice.

The Hangar shall be used only for the storage of the aircraft of record identified in Exhibit “B” attached hereto and incorporated herein (the “Aircraft”), minor maintenance/repair of the Aircraft, and otherwise primarily for aeronautical uses as may be set forth in the last paragraph of this Section 2. No commercial or business activity of any kind whatsoever shall be conducted or allowed by Tenant in, from, or around the Hangar.

Any aircraft parked or stored on the Hangar for more than five (5) days, which need not be consecutive, in any twelve (12) month period shall be deemed Aircraft subject to this Agreement. Tenant shall have and maintain a Controlling Ownership Interest in at least one Aircraft, and Tenant or County-approved sub-lessee of Tenant shall have and maintain a Controlling Ownership Interest in any other Aircraft, as evidenced by FAA Aircraft Registration Certificates. “Controlling Ownership Interest”, as used herein, shall mean legal ownership of more than fifty percent (50%); the right to otherwise control the leasing, sale, and management of the subject property; or, in the case of a leased Aircraft, the lessor or lessee of the Aircraft or the owner of a controlling ownership interest in the business entity that is the lessor or lessee of the Aircraft.

In the event additional or substitute Aircraft are to be stored in the Hangar, Tenant shall give prior written notice to County which notice shall include identification of the subject Aircraft, a copy of the FAA Aircraft Registration Certificate for the Aircraft, and copies of the insurance certificates required pursuant to Section 11 of this Agreement for the Aircraft. Exhibit “B” to this Agreement shall then be amended to reflect such additions or substitutions.

PRIOR TO OCCUPYING THE HANGAR, TENANT SHALL PROVIDE COUNTY COPIES OF CURRENT AIRCRAFT REGISTRATION and/or PROOF OF OWNERSHIP, DOCUMENTATION OF AIRWORTHINESS, CURRENT CERTIFICATE OF INSURANCE, DECLARATION OF AIRCRAFT HOMEBASE, AND ANY OTHER AIRCRAFT DOCUMENTATION REQUESTED.

Tenant understands and agrees that should Tenant cease to use the Hangar for storage of all Aircraft set forth in Exhibit “B”, this Agreement shall terminate regardless of any other provision herein. If at any time while Tenant is in possession of the Hangar, the Aircraft is/are not flyable, Tenant shall have an eighteen (18) month grace period to document that the Aircraft is legally flyable for the class of aircraft as defined by the FAA. If Tenant is working on an aircraft project or kit, Tenant must show progress on the project, and there is

a two (2) year deadline for completion of the project; Tenant may request in writing a one (1) year extension.

Unless additional uses are listed below and each initialed by the County Airport Manager, the Hangar may not be used for any purpose other than for storage of the Aircraft, and minor maintenance/repair of the Aircraft.

3. **BASE RENT AND CHARGES.** On the Commencement Date, Tenant shall pay rent, in advance, on the first day of each month, at the Siskiyou County General Services office. Base rent shall be in the amount of Three Hundred Twenty-Two dollars and Eighty Cents (\$322.80) per month (“Base Rent”), calculated at 807/1000 cents (\$0.807) x Four Thousand Eight Hundred (4800) square feet as further set forth in Exhibit “C” attached hereto. The Base Rent amount is subject to an annual cost of living adjustment as explained in Section 3.b. below.

- a. **LATE FEE; FEES FOR DENIED PAYMENT.** Tenant is responsible for timely payment of monthly rent and all additional charges, without notice or demand and without deduction, diminution, abatement, counter claim or setoff of any amount for any reason whatsoever, to County.

In the event any payment is not received by County by noon on the fifteenth (15th) day after it is due, Tenant shall, without notice, pay late charges in the amount of Twenty-Five Dollars (\$25.00) each month that the payment remains unpaid. If payment remitted by check or other negotiable instrument is presented for payment to the appropriate institution and denied for insufficient funds, such payment shall be subject to a reprocessing fee in the amount of Twenty-Five Dollars (\$25.00).

- b. **Annual Base Rent Increase.** On the first anniversary of the Commencement Date, and each anniversary thereafter, the Base Rent shall be increased by the current County Adjustment Factor. This will determine the new “Base Rent” for the new year. The County “Adjustment Factor” shall be a percentage calculated as follows: Beginning January 1, 2023, and every three (3) year period thereafter, the annual rent increase shall be determined by calculating the average annual California Consumer Price Index for all areas and all consumers as reported by the State of California, Department of Industrial Relations (“CPI”), for the preceding three (3) years, with the resulting adjusted CPI applied for that year and the two (2) years that follow. However, the Adjustment Factor shall not be less than one percent (1%) nor more than six percent (6%). The rental amount rate schedule for this Agreement through December 31 of the year preceding the next Adjustment Factor calculation date is set forth in Exhibit “C” attached hereto and incorporated herein.

4. RIGHT OF FLIGHT. There is hereby reserved to County, its successors and assigns, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the Airport. This public right of flight shall include the right to cause within the said airspace any noise inherent in the operation of any aircraft used for navigation or flight through the said airspace or landing at, taking off from, or operating on the Airport.

5. UTILITIES. There are three options regarding payment for utilities. The paragraph below with an “x” applies to the Hangar covered by this Agreement.

a. ____ County will pay the electricity charges associated with the Hangar and Tenant will receive a prorated monthly surcharge for the Hangar. The surcharge is calculated based on an average electricity charge paid by County over a twelve (12) month period. The current monthly electricity surcharge for the Hangar is \$_____. This surcharge will be adjusted each July 1st to reflect the electricity charges paid by County for hangars in the previous 12-month period. County shall have the right to adjust (increase or decrease) the surcharge to be paid hereunder upon giving Tenant no less than thirty (30) days' prior written notice of such electricity charge adjustment.

b. ____ The Hangar has an individual electric meter. Tenant is responsible for setting up an account and promptly paying all charges for electricity directly to the utility provider.

c. X The Hangar does not have utility services.

6. TERMINATION AND EXPIRATION. Upon termination or expiration of this Agreement, the Hangar will be inspected and Tenant shall be liable for any and all damage to the Hangar caused by Tenant's use, including, but not limited to, damage to the apron immediately adjacent to the Hangar premises due to fuel or oil spillage, or contamination from hazardous materials.

In the event Tenant does not remove Tenant's property, including the Aircraft, from the Hangar within fourteen (14) days of the termination or expiration of this Lease, the Tenant's property will be subject to a claim of lien and may be sold to satisfy any lien if the rent or other charges due remain unpaid, as authorized by the California Self-Service Storage Facility Act.

7. COMPLIANCE WITH LAWS AND REGULATIONS. In utilizing the Hangar during the term of this Agreement, Tenant agrees to comply with the following:

- a. Siskiyou County Code, Title 2 – Chapter 1. – Airports

- c. All security measures that may be imposed from time to time by County or any other applicable governmental agency. If gate codes are used, Tenant shall not be authorized to distribute gate codes to any persons. If Tenant provides any gate code to unauthorized individuals, it shall be considered a material breach of this Rental Agreement.
- d. Tenant agrees that County is not responsible for the security of the Aircraft or any property located on the Hangar. It is expressly understood that no storage of airplanes, boats, cars, trucks, trailers or mobile homes is permitted outside of the Hangar or anywhere on County's property except designated parking areas for such vehicles or aircraft.

8. SAFE USE OF HANGAR; DAMAGE TO PREMISES. Tenant agrees to make no unlawful, offensive or noxious use of the Hangar. In addition, no explosives, firearms, volatile or flammable chemicals or other property which would materially increase the hazard of fires shall be stored at the Hangar; provided, however, that up to 20 gallons of aircraft fuel may be stored within the Hangar on a temporary basis in connection with self-service maintenance activities. No aircraft shall be refueled while said aircraft is within the Hangar or otherwise on the Hangar premises. Any refueling shall occur outside and away from the Hangar and fuels shall not be stored at the Hangar, other than as provided above and in the fuel tanks internal to the stored Aircraft. If any Aircraft requires a special grade/type of fuel not provided by County and/or the Fixed Based Operator ("FBO"), if any, all rules and regulations governing the private, non-commercial self-fueling of aircraft shall be followed.

Lessee shall control the conduct and demeanor of its invitees, agents, and sub-lessees, and their invitees and agents, in and around the Premises and shall take all steps necessary to remove persons whom County may for good and sufficient cause deem objectionable. Lessee shall be responsible for all damage to the Premises caused by the acts, omissions, negligence, or willful misconduct of Lessee, Lessee's invitees and sub-lessees, and their invitees, not to exclude repair of apron in front of the Hangar due to fuel spillage. In the event Lessee does not promptly repair any damage to the Premises or property for which Lessee is responsible, County reserves the right, in addition to any other rights or remedies available to County, to make such repairs, at Lessee's expense, the cost of which shall become due and payable within ten (10) days of billing from County.

9. AS-IS; MAINTENANCE OF HANGAR; COMPLIANCE WITH RULES; CONDITION ON RETURN. Tenant takes the Hangar as-is and shall return it to County in the same or better condition and without abandoned personal property remaining in the Hangar. Tenant agrees to maintain the Hangar in a clean and orderly condition at all times, and in accordance with California Department of Industrial Safety and Fire Codes which may apply to aircraft hangar storage and other applicable federal, state and local laws and ordinances. Tenant shall be

County of Siskiyou – Hangar Rental Agreement

responsible for clean-up and maintenance due to fuel or oil spills. Tenant shall become familiar with and shall at all times abide by all of County's rules and regulations relating to use of the Hangar and the use of any of County's other facilities, whether promulgated before or after the execution of this Agreement, and in particular Tenant shall abide by the following regulations (please initial next to each line):

- g. MB ^{DS} There shall be no open flames or welding in the Hangar at any time;
- h. MB ^{DS} There shall be no smoking in the Hangar at any time;
- i. MB ^{DS} The Hangar shall be organized so that an Aircraft of record can be moved into the Hangar at all times; and
- j. MB ^{DS} Tenant shall not permit any accumulation of oily rags, paper, rubbish, or other debris, nor overload electrical circuits, that could increase the risk for fire.

10. ALTERATIONS. Tenant shall not alter any existing fixtures or improvements or alter the Hangar walls, floor, ceiling or electrical system in any manner; nor shall Tenant hang anything from ceiling, walls, beams, doors, or fixtures in Hangar; nor shall Tenant add fixtures or improvements or in any other way modify the Hangar without the express and prior written approval of the County. Any and all such work approved by County shall be conducted at Tenant's sole cost and expense. All fixtures, improvements, and additions made in or upon the Hangar, whether by County or by Tenant, shall become County's property and shall remain in or upon the Hangar at the expiration or termination of this Agreement, however terminated, without any compensation being paid by County to Tenant.

11. INSURANCE.

- a. **INSURANCE COVERAGES.** Tenant shall obtain and maintain at all times during the term of this Lease, from one or more financially solvent insurance carriers

County of Siskiyou – Hangar Rental Agreement

authorized to conduct business in the State of California, general liability insurance, inclusive of aircraft liability and premises liability, with a single limit for bodily injury and property damage of \$1,000,000.00 per occurrence with the exception of per aircraft passenger sub-limits of \$100,000.00, insuring Tenant's liability against death and bodily injury to persons, including invitees and passengers, and damage to property.

In addition, except with respect to motor vehicle insurance (referenced below), County shall be named as an additional insured. The insurance policies of Tenant upon which County is required to be named an additional insured shall further provide at least thirty (30) days advance written notice to County and Tenant of any material change, cancellation, non-renewal or changes adverse to the interest of County or Tenant. It is expressly understood by Tenant that the receipt of any required insurance certificates by County hereunder does not constitute agreement that the insurance requirements of this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements of this Agreement. Further, the failure of County to obtain certificates or other evidence of insurance from Tenant shall not be deemed a waiver by County. Nonconforming insurance shall not relieve Tenant of its obligation to provide the insurance specified herein.

It is Tenant's responsibility to provide the certificates of insurance with additional insured endorsement on or before the expiration date of Tenant's existing insurance policy. A processing fee of Twenty-Five Dollars (\$25.00) will be charged if the certificate of insurance is not received by County on or before the renewal date.

- c. **MOTOR VEHICLE LIABILITY.** Automobile insurance of not less than \$100,000.00 bodily injury limits per person, \$300,000.00 bodily injury limits per occurrence, and \$50,000.00 for damage to the property of other people, is required in the event motor vehicles are used by Tenant on County premises.
- d. **WAIVER OF SUBROGATION.** All policies shall expressly waive the underwriter's and insurance carrier's right of subrogation against County and/or its insurance carriers.

County of Siskiyou – Hangar Rental Agreement

- f. **TENANT'S LIABILITY NOT LIMITED.** NOTWITHSTANDING THE PROVISIONS OF THE PRECEDING SECTIONS, FOR PURPOSES OF THIS AGREEMENT, TENANT ACKNOWLEDGES THAT ITS POTENTIAL LIABILITY IS NOT LIMITED TO THE AMOUNT OF LIABILITY INSURANCE COVERAGE IT MAINTAINS OR TO THE LIMITS REQUIRED HEREIN.

12. ASSIGNMENT. Tenant shall not assign this Agreement, or sublet or otherwise permit occupancy or use of the Hangar, without prior written consent from County. Use of the Hangar by an aircraft not properly listed as an Aircraft of record, as identified in Section 2, shall be considered default, subjecting Tenant to the termination process as set forth in Section 19.

13. LIABILITIES, INDEMNITIES, AND FORCE MAJURE. Tenant shall defend, indemnify and hold harmless County (inclusive of its subsidiaries, affiliates, as now or hereafter constituted) and its officers, directors, agents, employees, and contractors, from and against any and all cost, liability, fine, penalty, damage or injury, including cost of suit and expenses of legal services, claimed or recovered by any person or entity, arising out of or relating to use of the Hangar, or any activity, work, or other things done, permitted or suffered by Tenant in, on, or about the Hangar by Tenant, its invitees, agents, or sub-Tenants, or their invitees or agents, or any breach or default by Tenant in the performance of any obligation of Tenant set forth in this Agreement ("Contract Damages"), except in the event that such damages arise from County's sole negligence or willful misconduct.

Further, Tenant shall indemnify County and pay any taxes or penalties imposed by any proper governing authority based upon Tenant's failure to comply or violation of any local, state or federal rule resulting from the improper utilization of the Hangar. Any such sum shall be paid within ten (10) days of written demand by County.

Neither party shall be liable for its failure to perform this Agreement or for any loss, injury, damage or delay of any nature whatsoever resulting from or caused by an act of God, wildfire, flood, strike, labor dispute, riot, insurrection, war, law, regulation, or any other cause beyond such party's control.

14. RISK OF LOSS. Tenant bears all risk of loss or damage to any property stored within the Hangar, whether caused by fire, water, earthquake, theft, terrorism, or any other risk. County shall not provide insurance for the Hangar or any property stored therein. Tenant acknowledges that insurance is available from independent insurance companies to protect Tenant in the event of damage or loss.

15. ENVIRONMENTAL RESPONSIBILITIES OF TENANT.

- a. **ENVIRONMENTAL REMOVAL AND DISPOSAL.** Tenant shall be responsible for the proper removal and disposal of all Hazardous Materials and Toxic Substances, as defined herein, generated by Tenant as a result of Tenant's activities in, on and from the Hangar or the Airport, whether during the term or following expiration or termination of this Agreement. Tenant shall ensure that

County of Siskiyou – Hangar Rental Agreement

removal of such materials and substances from the Hangar and the Airport is accomplished in accordance with Airport, local, state and federal guidelines. Additionally, environmental contamination caused or permitted by Tenant, which impacts the Hangar or the Airport as a result of Tenant's improper handling, disposal, release or leakage of any Hazardous Materials and Toxic Substances while utilizing the Hangar or Airport shall be the sole responsibility of Tenant. For purposes of this section, "Hazardous Materials and Toxic Substances" shall mean any hazardous or toxic substances, materials, wastes, pollutants or contaminants, as defined, listed or regulated now or in the future by any federal, state or local law, rule, regulation, ordinance, statute or order or by common law decision, including, without limitation, petroleum products or byproducts.

- b. **ENVIRONMENTAL INDEMNIFICATION.** Tenant shall indemnify, defend and hold harmless County (inclusive of its subsidiaries, affiliates, as now or hereafter constituted) and its officers, directors, agents, employees, and contractors, from and against any and all claims (including, without limitation, third party claims from bodily injury or real or personal property damage), actions, administrative proceedings (including information proceedings), judgments, damages, punitive damages, penalties, fines, taxes and assessments, liabilities (including sums paid in settlement of claims), interest, impairments, losses, fees and expenses (including attorney's fees and expenses incurred in enforcing this provision or collecting any sums due hereunder), consultant and expert fees, together with all other costs and expenses of any kind or nature, including any and all expenses of cleaning up or disposing of any such Hazardous Materials and Toxic Substances arising from or caused by Tenant's use of the Hangar or the Airport or Tenant's failure to perform the covenants of this section ("Environmental Damages"). Tenant shall have no responsibility for any Environmental Damages which preceded the Commencement Date of this Agreement. The obligations, covenants and agreements of Tenant contained in this section shall survive expiration or termination of this Agreement for any reason.

16. ENTRY TO HANGAR; COUNTY REPAIRS. Tenant consents to County's entry into the Hangar, without notice to Tenant, in the case of an emergency which, in County's reasonable determination, poses an imminent health or safety threat to any person or property. Under all circumstances, including inspection to ensure compliance with the terms and provisions of this Agreement, Tenant further consents to County's entry into the Hangar with seventy-two (72) hours advance notice by email, or, in the event email notification is unavailable, by mail or by telephone (provided that County actually speaks to Tenant or its authorized representative), as provided in Section 23 herein. County shall further endeavor to schedule such entry into the Hangar for a time when Tenant is available to be present.

17. SUBORDINATION. This Lease is subject and subordinate to the following:

- a. County reserves the right to develop and improve the Airport as it sees fit, regardless of the desires or views of Tenant, and without interference or hindrance by or on behalf of Tenant, provided Tenant is not deprived of the use or access to the Hangar or any of Tenant's rights under this Lease. Notwithstanding the preceding term, County has the absolute right, at its complete discretion, to terminate this Agreement with thirty (30) days' notice if the County determines that such termination is necessary to carryout development plans.

County of Siskiyou – Hangar Rental Agreement

- b. County reserves the right to take any action it considers necessary to protect the aerial approaches to the Airport against obstruction, together with the right to prevent Tenant from erecting or permitting to be erected any building or other structure on the Airport which would limit the usefulness of the Airport or constitute a hazard to aircraft.
- c. County reserves the right, but shall not be obligated to Tenant, to maintain and keep in repair the landing area of the Airport and all publicly owned facilities of the Airport, together with the right to direct and control all activities of Tenant in this regard.
- d. This Agreement is and shall be subordinate to the provisions of existing and future agreements and assurances between County and the United States, the Federal Aviation Administration, or the State of California relative to the operation or maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the obtaining or expenditure of federal funds, state funds, services, or property for the benefit of the Airport.
- e. During national emergency, County shall have the right to lease all or any part of the landing area or the Airport to the United States or the State of California for military use, and if any such lease is executed, the provisions of this Agreement insofar as they may be inconsistent with the provisions of such lease to the government, shall be suspended, but such suspension shall not extend the term of this Agreement. Abatement of rentals shall be reasonably determined by the County in proportion to the degree of interference with Tenant's use of the Hangar.
- f. Except to the extent required for the performance of any obligations of Tenant hereunder, nothing contained in this Agreement shall grant to Tenant any rights whatsoever in the airspace above the Hangar other than those reasonably necessary to Tenant's enjoyment of the Hangar and which are consistent with Federal Aviation Administration rules, regulations and orders currently or subsequently effective.
- g. Tenant understands and accepts County's delegation of the prohibition against exclusive rights in accordance with the obligation set forth in the Federal Aviation Act of 1958, Section 308(a), which states "there shall be no exclusive right for the use of any landing area or air navigation facility upon which federal funds have been expended" and as set forth in 49 United States Codes Section 40107(a)(4) and U.S.C. Section 40103(e). Tenant may not exercise any of its rights or privileges under this Agreement in any manner which results in and subjects the public Airport users or tenants to unjust discrimination.
- h. Tenant for himself/herself/itself, and its or their personal representatives, administrators, successors in interest, and assignees, as part of the consideration hereof, does hereby covenant and agree that: (a) no person on the grounds of race, color or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of Airport facilities, in the construction of any improvements on, over, or under Airport land, or in the furnishing of services thereon; and (b) use the Hangar shall

- i. Tenant acknowledges that County is subject to Federal Grant Agreement obligations, attached hereto and made a part hereof, and Tenant shall act in compliance therewith.

18. DISCLAIMER OF LIABILITY. COUNTY HEREBY DISCLAIMS, AND TENANT HEREBY RELEASES COUNTY FROM, ANY AND ALL LIABILITY WHETHER IN CONTRACT OR TORT (EXCEPT AS PROVIDED HEREIN) FOR ANY LOSS, DAMAGE OR INJURY OF ANY NATURE WHATSOEVER SUSTAINED BY TENANT, OR ITS EMPLOYEES, AGENTS OR INVITEES, DURING THE TERM OF THIS LEASE, INCLUDING BUT NOT LIMITED TO LOSS, DAMAGE OR INJURY TO THE AIRCRAFT OR OTHER PROPERTY OF TENANT THAT MAY BE LOCATED OR STORED ON OR IN THE HANGAR , UNLESS SUCH LOSS, DAMAGE OR INJURY IS CAUSED BY COUNTY'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. THE PARTIES HEREBY AGREE THAT UNDER NO CIRCUMSTANCES SHALL COUNTY BE LIABLE FOR INDIRECT, CONSEQUENTIAL, SPECIAL OR EXEMPLARY DAMAGES, WHETHER IN CONTRACT OR TORT.

19. DEFAULT. Tenant shall be considered in breach and default of this Agreement in the event and of the following occur (each is separately a "Default")

- a. Tenant defaults in its obligation to pay rent and such default continues for fourteen (14) days;

- c. Tenant is a corporation, limited liability company, or other business entity and ceases to lawfully exist under the laws of the State of California or the state of its organization; or
- d. A petition is filed by or against Tenant under any state or federal bankruptcy laws (including a petition for reorganization).

In the event that Tenant is in Default of this Agreement, then County may, at its option, terminate this Agreement upon written notice to Tenant, in which event the provisions of Section 6 (pertaining to termination and expiration) herein shall apply.
