Dear Clerk of the Board, County of Siskiyou,

I have attached a memo requesting Leave to present a late claim. My understanding in talking with you is that this issue will be put on the agenda at a County Board of Supervisor's meeting. I have also attached a copy of the Claim. Please confirm receipt of this email and let me know if I need to mail another hard copy of the memo or the claim.

Sincerely,

Steven Thorne, PE

Dear Clerk of the Board, County of Siskiyou,

I am emailing a digital version of the hard copy claim I mailed recently. Please confirm receipt of the hard copy claim by emailing me at [REDACTED] when it arrives.

I am also copying this email to:

Marquis Smith, Captain Mount Shasta Fire Department

Thomas Deany, Siskiyou County Public Works Director

Chuck Gray, Siskiyou County Deputy Director of Roads and Bridges

Ken Kellogg, PE, Public Works Director , City of Mount Shasta

All of these individuals have been very professional on working with me to investigate the Drainage Patterns and public information regarding Everitt Memorial Highway, Shasta Avenue, Butte Avenue and the McCloud River Railroad. I state several professional opinions and requests in the claim documentation regarding restoring the natural and designed drainage patterns that they should be aware of.

Please feel free to contact me by phone or email with any questions,
