Subject: Golden Eagle Charter School Use Permit approval NEEDED!!!!

Dear Siskiyou County Board of Supervisors:

Golden Eagle Charter Schools GECS use permit is being challenged. This Challenge needs to be stopped and Golden Eagle needs this approved ASAP.

This Address up until 2022 had a Church with meeting weekly to biweekly with both parking lots filled on Sundays, Wednesdays, and Weddings.

In addition, at this address, we had a Private School- Siskiyou Christian School from 1997 to 2012 that had upwards of 75 children in attendance Monday through Fridays. That our children attended until we partnered with Golden Eagle and then our children also attended there to the 8th grade. We also both coached Basketball or taught at GECS with Michelle being the Culinary Arts director/teacher from 2016 to 2021.

This location is the perfect place for a campus as we have had in the past. Traffic is very low, the noise for a school is nonexistent as well.

We taught my PE classes at this location always outside for over 15 years without any distractions or nuisance to anyone. Our former students are standouts in our world in many places from Air Force Academy graduate, to RN's, Pharmacists and Vascular Technicians and tradesmen that build our homes. Golden Eagle CS is continuing with this Under Shelley Blakely and her dedicated staff.

Please issue this use permit and stop this nonsense of Political division from our public schools that keeps losing its students because they fail to teach them how to write, read, do math and think. The whole reason Charter Schools are thriving across our nation is due to the failure of Public Schools to teach instead of indoctrinate. WE NEED THIS ALTERNATIVE ESPECIALLY IN TODAY'S WORLD THAT THESE KIDS ARE HEADING INTO.

Please grant this use permit once again as you have over the last 25 years.
