Hi Kerry,

Is there a claim form that you can send to me that I can have the insured complete? Is it on the website?

Thanks,

Hi Kerry,

Yes the insured's downtime/OOP claim is separate. I am unable to represent or negotiate for that portion.

Thanks,

Hi Kerry,

We did pay a supplement on this one too. This is the final one though. Breakdown of payments is:

\$18,912.41 PAYMENT FOR INITIAL TRACTOR REPAIRS 2014 KW 406025+ TOW BILL REIMB INVOICE# 79323

\$1,800.00 PAYMENT FOR SANDERS TOWING INVOICE# 19868 ON BEHALF OF SHADD TRUCKING

\$7,100.64 SUPPLEMENT

\$2,500.00 DEDUCTIBLE

TOTAL SUBRO \$30,313.05

I do not have the dates for repairs but can confirm we issued initial repairs on 7/31/23 and issued the supplement 12/18.

Thanks,

Hi Adam,

I have reviewed your subrogation demand and we have questions regarding the total amount claimed. Can you provide an itemization that gets you to the total of your claim. Also, can you provide documentation that shows when your insured received payment for damages. As for the downtime claim, this is a substantial claim without any back up. I am assuming it is your insured's claim and not Northlands. Should I be directing my questions on downtime to your insured?

Thanks,  
Kerry

Hi All,

The County is awaiting a formal subrogation demand from Northland Insurance. As I have previously advised Ms. Pollard there is no body worn or dash cam footage of the accident.

Thanks,

Kerry

**Subject:** RE: [External] Claim F3F9901

Hi Amy,

I will let Beth reply to the liability portion and provide and update. For downtime there is no downtime coverage through your Northland physical damage policy. You can make a downtime claim directly with the at fault party's insurance carrier. Northland can't handle the downtime claim on your behalf.

**Beth-** are you able to provide the at fault parties claim#/contact info for Amy to contact and pursue a downtime claim?

Thank you!

Good morning,

I am following up on Claim F3F9901, we still have not received the dash cam footage from the officers vehicle that was involved in the accident on July 12, 2023.

We also have not received any type of "Down Time" compensation for this accident. Can I get an update on dash cam footage and the compensation for the down time.

I have not heard from any one in a while regarding this.

Thank you,

Amy Stotts
