To Whom it may concern,  
The Hilt Volunteer Fire Department needs a Type 3, Model 5 fire engine to aid in the protection of its jurisdictional responsibility area within Siskiyou County. This apparatus would not only support our department but assist other jurisdictions within Siskiyou County during emergencies. Our donation-based department does not have a governing board but would welcome the donation of this equipment from Siskiyou County General Fire to the Hilt Volunteer Fire Department. Thank you for your consideration,

Steve Avgeris  
Fire Chief  
Hilt Volunteer Fire Department
