Exhibit A.1

CONCURRENT REVIEW/AUTHORIZATION

Siskiyou County has designated Keystone Peer Review Organization, Inc. (Kepro) as our authorized administrative entity to support the concurrent review process. As of June 15, 2022, Kepro will conduct all inpatient psychiatric reviews in alignment with the state requirements as outlined in the Department of Health Care Services (DHCS) Behavioral Health Information Notice (BHIN 22-017) in conjunction with the guidance in Information Notice (IN) 19-026.

1. Admission and Authorization

Within 24 hours of admission for psychiatric inpatient hospital services, the psychiatric health facility (PHF) shall provide to Kepro, via <https://portal.kepro.com/>, the beneficiary's admission orders, initial plan of care, a request to authorize the beneficiary's treatment, and a completed face sheet. The face sheet shall include the following information (if available):

- A. Psychiatric Health Facility (PHF) name and address
- B. Patient name and DOB
- C. Insurance coverage
- D. Medi-Cal number and county of responsibility identified in the Medi-Cal Eligibility Data System
- E. Current address/place of residence
- F. Date and time of admission
- G. Working (provisional) diagnosis
- H. Date and time of admission
- I. Name and contact information of admitting, qualified and licensed practitioner
- J. Utilization review staff contact information

2. Continued Stay Authorization

When medically necessary for the beneficiary, before the end of the initial authorization period, or a subsequent authorization period, the hospital or psychiatric health facility (PHF) shall submit a continued-stay- authorization request for a specified number of days (generally three) to Kepro.

Clinical information to be exchanged includes:

- A. Current need for treatment to include involuntary or voluntary status, diagnosis, current symptoms, and current response to treatment.
- B. Risk assessment to include any changes, inclusive of new indicators since initial intake assessment that reflect current risk. Examples may include protective and environmental factors and available supports that should be considered in discharge planning; updates regarding changes to suicidal and/or homicidal ideation since admission; aggression/self-harm since admission; behavioral observations; historical trauma.
- C. Precipitating events if further identified or clarified by the treating hospital after admission notice.

- D. Known treatment history as relates to this episode of care to include daily status (e.g., physician orders, daily progress notes, nursing notes, physician notes, social work notes, rounds sheet, lab results) of the treating hospital.
- E. Psychiatric Health Facility (PHF) information on prior episode history that is relevant to current stay.
- F. Mental Health Plan (MHP) information of relevant and clinically appropriate client history.
- G. Medications to include medication administration records for this episode, changes in medication, response to current medication, or further recommendations.
- H. Substance use information to include any changes, inclusive of new indicators since initial intake assessment. Examples may include SUD history, any recent changes in SUD, role of SUD in current diagnosis, SUD treatment goals, motivation to change SUD, and recommended SUD treatment post discharge.
- I. Known medical history to include co-occurring factors that may be related to care of the psychiatric condition as detailed in admitting and/or ongoing history and physical, or medical treatment needs while admitted.
- J. Treatment plan including any updates and changes to the initial treatment plan and evidence of progress or symptom management.
- K. Discharge and aftercare plan to include recommended follow-up care, social, and community supports, and a recommended timeline for those activities.
- L. Number of continuing stay days requested.

Kepro shall issue a decision on the psychiatric health facility (PHF's) continued-stay-authorization request within 24 hours of receipt of the request and all information reasonably necessary to make a determination.
