Tyler Technologies  
1 Tyler Drive  
Yarmouth, ME 04096

Dear Mrs. Whalbrink,

We are pleased to inform you that, after a thorough evaluation of proposals submitted for our ERP solution project, the County of Siskiyou has selected Tyler Technologies as the vendor of choice in replacing our current ERP system. Your team's presentation and demonstration showcased a comprehensive understanding of our requirements and offered a solution that stands out for its innovation, functionality, and user-friendliness.

We appreciate the time and effort your team invested in providing a detailed demonstration that highlighted the strengths of your ERP solution. It was evident that your approach aligns closely with our goals, and we are excited about the potential benefits this partnership can bring.

As we move forward, we would like to schedule further demonstrations to delve deeper into specific features and ensure that all aspects of the solution meet our needs. Additionally, we will begin contract negotiations to formalize our partnership and outline the terms of engagement.

Please let us know your availability for the upcoming demonstrations and any preliminary documentation you may require for the negotiation process.

Thank you once again for your efforts and your commitment to delivering an exceptional ERP solution. We look forward to working together to bring this project to fruition.

Best regards,

Michael Kobseff  
Chairman  
Siskiyou County Board of Supervisors
