Background and Discussion

The proposed project is a request to rescind the subject property from the existing Williamson Act Contract and reissue a contract consisting solely of property under one ownership. The subject property is approximately 480 acres which is currently under a contract which has multiple property owners.

The applicant does not propose to increase or decrease the acreage in Agricultural Preserve.

Parcel Creation

- APN 010-040-120 is one 160-acre, legal parcel, created as Parcel 2 of Waiver as recorded on June 23, 1976, in Siskiyou County Records in Volume 758 at Page 068.
- APN 010-040-130 is one 320-acre, legal parcel, created as Parcel 1 of Waiver as recorded on June 23, 1976, in Siskiyou County Records in Volume 758 at Page 068.

Parcel History

Williamson Act Contract

• The subject property is a portion of Williamson Act Contract No. 72014 (Clerk's No. 91) as recorded on February 25, 1972, the Siskiyou County Records in Volume 651 at Page 301.

Agricultural Preserve

• The subject property is within an Agricultural Preserve as established by Board of Supervisor's Resolution No. 184 in Book 4, adopted on February 9, 1972.

Analysis

Preserve Requirements

Property ownership

Under the County Rules Section VI, Item B, parcels within an agricultural preserve should be under one ownership or contiguous.

The existing Ag Preserves consists of property under several different ownerships and the property is not contiguous. The existing Ag Preserve should be amended to remove the subject property and a new Ag Preserve be established, consisting only of the subject property.

Preserve Size

According to the Rules for the establishment and Administration of Agricultural Preserves and Williamson Act Contracts (Rules), agricultural preserves shall consist of no less than 100 acres. To meet this requirement, two or more parcels may be combined if they are contiguous or if they are owned in common.

The subject property consists of one parcel at 320 acres and one at 160 acres, exceeding the 100-acre minimum size.

Soils Class

Per County Rules Section III, Item C, Agricultural land in a preserve must contain at least 40 acres of Class I or II equivalent soils and a preserve may not be created for land consisting solely of Class VI or VII.

The land contains approximately 239.25-acres of Class I or II equivalent soils as shown in the table below and in the NRCS soils data (Exhibit D).

Soil Type	Acres +/-	<u>Class</u>	Ratio to Class I	<u>Equivalent</u>
154	335	IV	2:1	167.5
149	58	IV	2:1	29
164	49	IV	2:1	24.5
165	35	IV	2:1	17.5
153	1.5	VI	3:1	0.5
131	1.5	VI	6:1	0.25
Total	480			239.25

Contract Requirements

Zoning

All parcels shall be restricted by zoning to agricultural uses pursuant to Rules Section III, Item D.

All property proposed to be part of the preserve is zoned Prime Agricultural (AG-1) as shown on the zoning map (Exhibit C).

Minimum Parcel Size

Per County Rules Section III, Item E, lands shall be in parcels large enough to sustain their commercial agricultural use if the contracted land within a qualifying preserve is at least 40 acres in size. Property is evaluated by legally established parcel.

At 320 acres and 160 acres, the parcels exceed the minimum acreage requirement.

Agricultural Production Uses

Per County Rules Section IV, lands shall be used principally for commercial agricultural production.

The property had historically been used for cattle grazing, as is noted in the existing contract. Since the contract was established, the property has been developed for farming with the installation of three irrigation pivots.

Compatible Uses

Per County Rules Section IV, lands shall be used principally for commercial agricultural production. However, secondary uses that are incidental to or supportive of the commercial agricultural use can be allowed.

Residential Uses

County Rules Section IV, Item C allows for residential structures, which are to be occupied by persons directly engaged in the commercial agricultural operation.

The residence is owner occupied.

Pursuant to the County Rules Section II. the Agricultural Preserve Administrator (Administrator) will review and make recommendations on terminating (non-renewing) contracts.

Agricultural Preserve Administrator Recommendation

Based on the information contained within this staff report, the Siskiyou County Agricultural Preserve Administrator finds the applicant's request is consistent with the Siskiyou County Rules for the Establishment and Administration of Agricultural Preserves and Williamson Act Contracts. The Administrator recommends the Siskiyou County Board of Supervisors adopt Resolutions amending the existing Agricultural Preserve to remove the 480 acres, establish a new preserve consisting of the 480 acres, rescind the subject property from the existing contract and reissue a single contract for all proposed properties within the newly established 480-acre preserve.

PREAMBLE TO LAND CONSERVATION CONTRACT

WHERAS, the hereinafter referred to OWNER possesses certain real property located within the hereinafter referred to County, which property is presently devoted to agricultural and compatible uses.

WHEREAS, said property is located in agricultural preserve established by COUNTY by resolution; and,

WHEREAS, both OWNER AND COUNTY desire to limit the use of said property to agricultural and compatible uses in order to discourage premature and unnecessary conversion of such lands from agricultrual uses, recognizing that such land has definite public value as open space and that the preservation of such land in agricultural production constitutes an important physical, social, esthetic and economic asset to COUNTY to maintain the agricultural economy of COUNTY and the State of Cal fornia.

The following agreement is prepared and entered into by the parties to accomplish the above-stated purposes.

LAND CONSERVATION CONTRACT

IT IS AGREED by and between the OWNER and the COUNTY as follows:

Section 1. CONTRACT. This is a "Contract" made pursuant to the California Land Conservation Act of 1965, as amended as of the date first above written, including amendments enacted at the 1969 Regular Session of the California Legislature, (hereinafter referred to as the "Act") and is applicable to the Premises described in Exhibit "A" attached hereto.

Section 2. TERM. This Contract shall take effect on 2-9, 1972, and shall remain in effect for a period of ten years therefrom and during any renewals of this Contract.

Section 3. RENEWAL. NOTICE OF NONRENEWAL. This
Contract shall be automatically renewed for a period of
one year on the first day of each year, and on the first
day of each January thereafter unless written notice of
nonrenewal is served by the Owner on the County at least
90 days prior to said date or written notice of nonrenewal
is served by the County on the Owner at least 60 days prior
to said date. Under no circumstances shall a notice of
renewal to either party be required to effectuate the
automatic renewal of this Contract.

Section 4. AUTHORIZED USES. During the term of this Contract and any and all renewals thereof, the Premises shall not be used for any purpose other than the production of agricultural commodities for commercial purposes and for compatible uses as specified in the Resolution establishing the Agricultural Preserve. The use of the Premises for agricultural uses and compatible uses shall be subject to the terms, conditions and restrictions set forth in the Resolution establishing the Agricultural Preserve. No buildings or structures shall be erected upon the Premises except such buildings and structures as are directly related to authorized uses of the Premises listed in said Resolution establishing the Agricultural Preserve.

USES. The Board of Supervisors of the County, by resolution, may from time to time during the term of this Contract or any renewals thereof amend the resolution establishing said Agricultural Preserve to add to those authorized uses or eliminate a use listed in the Resolution establishing the Agricultural Preserve which authorized uses shall be uniform throughout said Agricultural Preserve; provided, however, no amendment of such resolution during the term of this Contract or any renewal thereof so as to eliminate any use shall be applicable to this Contract unless the Owner consents to such elimination.

Section 6. POLICE POWER. Nothing in this
Contract shall be construed to limit the exercise by the
Board of Supervisors of the police power or the adoption
or readoption or amendment of any zoning ordinance or
land use ordinance, regulation or restriction pursuant
to the Planning and Zoning Law (Sections 55000 et seq.,
Government Code) or otherwise.

Section 7. EMINENT DOMAIN. (a) Except as provided in subdivision (d) of this Section 7, when any action in eminent domain for the condemnation of the fee title of an entire parcel of land subject to this Contract is filed or when such land is accuired in lieu of eminent domain for a public improvement by a public agency or person or whenever there is any such action or acquisition by the federal government or any person, instrumentality or agency acting under authority or power of the federal government, this Contract shall be deemed null and void as to the land actually being condemned or so acquired as of the date the action is filed and for the purposes of establishing the value of such land, this Contract shall be deemed never to have existed.

- (b) Except as provided in subdivision (d) of this Section 7, when such an action to condemn or acquire less than all of a parcel of land subject to this Contract is commenced this Contract shall be deemed null and void as to the land actually condemned or acquired and shall be disregarded in the valuation process only as to the land actually being taken, unless the remaining land subject to this Contract will be adversely affected by the condemnation, in which case the value of that damage shall be computed without regard to this Contract.
- (c) The land actually taken shall be removed from this Contract. Under no circumstances shall land be removed that is not actually taken, except as otherwise provided in the Act.
- The provisions of subdivisions (a) and (b) (d) of this Section 7 and the provisions of Section 51295 of the Act (Government Code) shall not apply to or have any force or effect with respect to (1) the filing of any action in eminent domain for the condemnation of any easement for the erection, construction, alteration, maintenance, or repair of any gas, electric, water, road, or communication facilities by any public agency (including the County) or public utility or to the acquisition of any such easement by any public agency (including the County) or public utility. The filing of any such action in eminent domain for the condemnation or the acquisition of any such easement or lesser estate shall not terminate, nullify or void this Contract and in the event of the filing of any such action in eminent domain or acquisition this Contract shall not be considered in the valuation process.

Section 8. NO PAYMENT BY COUNTY. The Owner shall not receive any payment from the County in consideration of the obligations imposed hereunder, it

being recognized and agreed that the consideration for the execution of the Contract is the substantial public benefit to be derived therefrom, and the advantage which will accrue to the Owner as a result of the effect on the assessed valuation of land described herein due to the imposition of the limitations on its use contained herein.

may be cancelled only by mutual agreement of the Owner and County pursuant to Section 51282 of the Act (Government Code) when, after public hearing has been held in accordance with the provisions of Section 51284 of the Act (Government Code), the Board of Supervisors finds (1) such cancellation is in the public interest and not inconsistent with the purposes of the Act, and (2) it is neither necessary nor desirable to continue the restrictions imposed by this Contract; provided, however, this Contract shall not be cancelled until the hereinafter specified cancellation fee has been paid, unless such fee or portion thereof is waived or deferred pursuant to subdivision (c) of Section 51283 of the Act (Government Code).

- (b) Prior to any action by the Board of Supervisors giving tentative approval to the cancellation of this Contract, the County Assessor shall determine the full cash value of the land as though it were free from the restrictions of this Contract. The Assessor shall multiply such value by the most recent County ratio announced pursuant to Section 401 of the Revenue and Taxation Code, and shall certify the product to the Board of Supervisors as the cancellation valuation of the land for the purpose of determining the cancellation fee hereinafter specified.
 - (c) Prior to giving tentative approval to the cancellation of this Contract the Board of Supervisors

shall determine and certify to the County Auditor the amount of the cancellation fee which the Owner must pay the County Treasurer as deferred taxes upon cancellation, which shall be 50% of the cancellation valuation of the land as determined in subparagraph (b) of this section. If after the date this Contract is initially entered into the publicly announced County ratio of assessed to full cash value is changed, the percentage payment specified in this paragraph shall be changed so no greater percentage of full cash value will be paid than would have been paid had there been no change in such ratio.

(d) The Board of Supervisors may waive or defer payment of the cancellation fee or any portion thereof in accordance with subdivision (c) of Section 51283 of the Act (Government Code).

Section 10. DISTRIBUTION OF DEFERRED TAXES.

On receipt of any deferred taxes (cancellation fee) payable pursuant to Section 10 of this Contract, said deferred taxes shall be distributed as provided in Section 51204 of the Act (Government Code).

Section 11. DIVISION OF LAND - NEW CONTRACTS. In the event the Premises is divided, a contract identical to the contract then covering the Premises shall be executed by the Owner of each parcel created by the division at the time of the division.

Section 12. DIVISION OF LAND - MINIMUM SIZE

PARCELS. The owner shall not divide the Premises contrary

to the restrictions on the division of Premises as set

forth in the Resolution establishing the Agricultural

Preserve.

Section 13. CONTRACTS BINDS SUCCESSORS. The term "Owner" as used in this contract shall include the singular and plural and the heirs, executors, administrators, successors and assigns and this Contract shall run with

the land described herein and shall be binding upon the heirs, executors, administrators, successors and assigns of the parties hereto.

Section 14. REMOVAL OF LAND FROM PRESERVE.

Removal of any land under this Contract from an agricultural preserve either by change of boundaries of the preserve or disestablishment of the preserve shall be the equivalent of a notice of nonrenewal by the County.

Section 15. CONVEYANCE CONTRARY TO CONTRACT. Any conveyance, contract or authorization (whether oral or written) by the Owner or his successors in interest which would permit the use of the subject property or create a division of the land contrary to the terms of this Contract, or any renewal thereof may be declared void by the Board of Supervisors of the County; such declaration or the provisions of this Contract may be enforced by the County by an action filed in the Superior Court of the County by the District Attorney for the purpose of compelling compliance or restraining a breach thereof.

Section 16. OWNER TO PROVIDE INFORMATION. The Owner, upon request of the County, shall provide information relating to the Owner's obligations under this Contract.

Section 17. NOTICE. Any notice given pursuant to this contract may, in addition to any other method authorized by law, be given by United States mail, postage prepaid. Notice to the County shall be addressed as follows:
