Approved.

This item was pulled from the consent agenda at Supervisor Ogren's request. Supervisor Ogren shared concerns regarding the length of time to process and bring the item before the Board and the currently expire contract term.

Health and Human Services Director Sarah Collard appeared before the Board, advising that changes in the process for payment at the State's level (payment reform) had impacted the Department's processing of the addendum with Innovatel Telepsychiatry, LLC and that there was a new contract/agreement template, also required by the State, for provision of certain Behavioral Health Services. In addition, Ms. Collard advised that the Department would not be contracting with Innovatel in the future and that this item was only to finalize the original contract date and compensation.

Discussion followed between members of the Board and Ms. Collard regarding difficulties encountered in recruiting for in-house psychiatric services, the potential negative impacts to patients associated with tele-med psychiatric services, the California Department of Health Care Services' slow process for rolling out the new contract template and associated processes and the Department's efforts to streamline the contracting process.

It was moved by Supervisor Ogren, seconded by Supervisor Valenzuela and carried, following a roll call vote with Supervisors Haupt, Valenzuela, Criss, Ogren and Kobseff voting YES, to and authorize the Chair to sign the First Addendum to the Contract for Services between Siskiyou County Health and Human Services Agency, Behavioral Health Division, and Imagine Medical Group of California, PC, to add Solution Focused Training. Contract term is July 1, 2023 through January 31, 2024. Please refer to the Contract reassignment with this documentation.

Health and Human Services - Behavioral Health Division - Approve FY 24/25 agreement with North American Mental Health Services, a Corporation to provide certain telepsychiatry services, at the rates identified in the agreement. Approved.

This item was pulled from the consent agenda at Supervisor Ogren's request. Supervisor Ogren shared concerns regarding the length of time to process and bring the item before the Board and the potential for a gap in services.

Health and Human Services Director Sarah Collard appeared before the Board, sharing concerns regarding difficulties encountered in recruiting for in-house psychiatric services. Ms. Collard advised that the California Department of Health Care Services had made changes to allow flexibility in options for certain providers of behavioral health services.

Supervisor Haupt shared concerns regarding the potential negative impacts to patients associated with utilizing certain tele-med services.

It was moved by Supervisor Ogren, seconded by Supervisor Valenzuela and carried, following a roll call vote with Supervisors Haupt, Valenzuela, Criss, Ogren and Kobseff voting YES, to and authorize the Chair to sign the agreement for Services between Siskiyou County Health & Human Services Agency, Behavioral Health Division, and North American Mental Health Services (NAMHS) for the term commencing July 1, 2023 through June 30, 2025.

Health and Human Services - Behavioral Health Division - Approve addendum to contract with Yreka Union High School District for certain Prevention, Outreach and Access & Linkage services for at risk populations, deleting and replacing Exhibit A, Scope of Services, increasing compensation by \$150,000 to a total not to exceed \$300,000 and extending the term through June 30, 2025. Approved.

This item was pulled from the consent agenda at Supervisor Kobseff's request. Supervisor Kobseff shared concerns regarding the County contracting with the schools to provide certain services, although the schools receive a large portion of the taxes received from Siskiyou County residents.

Health and Human Services Director Sarah Collard appeared before the Board, advising that the schools could provide early intervention and prevention services to populations that the Department was unable to provide and that the Department receives early intervention and prevention funding for that purpose.

Discussion followed between members of the Board and Ms. Collard regarding the engagement flexibility provided by the schools, the inability of Behavioral Health Services (BHS) staff to engage all students as BHS staff provides to those on Medi-Cal, the possibility of parents to not be engaged should certain legislation become effective and the BHS Department's practice to engage and include parents in students' treatment/counseling efforts.

It was moved by Supervisor Criss, seconded by Supervisor Ogren and carried, following a roll call vote with Supervisors Valenzuela, Criss and Ogren voting YES and Supervisors Haupt and Kobseff voting NO, to approve and authorize the Chair to sign the First Addendum between Siskiyou County Health and Human Services Agency - Behavioral Health Division and Yreka Union High School District.

Public Requests - Ore-Cal Resource Conservation & Development Area Council - Presentation re the Interstate-5 Siskiyou Wildlife Crossing Planning Project. Presentation and discussion only.

Ore-Cal Resource Conservation & Development Area Council Executive Director George Jennings appeared before the Board, advising that the Council had been awarded grant funds from the California Wildlife Conservation Board which were being used to fund a wildlife study and engineering design work to develop wildlife safety crossing(s) over Interstate 5 (I-5) to reduce vehicle/wildlife collisions. Mr. Jennings further advised that the project had several supporters and partners, including CalTrans, California Deer Association, California Department of Fish and Wildlife and the Siskiyou County Fish and Game Commission. Mr. Jennings presented a one-page map/section of Interstate-5 (I-5) corridor and introduced Fraser Shilling from UC Davis and Dudek (consulting firm).

Mr. Shilling appeared before the Board and presented a powerpoint presentation on the Interstate-5 Siskiyou Wildlife Crossing Planning Project, including an overview and locations of various existing wildlife crossing structures (pipe/box/arch culverts, bridges, and under-crossings, etc.). Mr. Shilling continued the powerpoint, including an overview of the process to collect data and determine the feasibility and possible locations for crossings to best benefit wildlife and human/vehicle traffic and reduce collisions.

Discussion followed between members of the Board, Mr. Shilling and Mr. Jennings regarding the possible future funding for construction of wildlife crossing(s), the need to consider potential crossing sites in other areas of the County, the increasing number of elk in/around I-5 within the County, the potential for and time related to letters of support for the project from the Board and anticipated maintenance required for wildlife crossing structures.

Public Requests - Daughters of the American Revolution - Siskiyou Chapter - Discussion, direction and possible action re Proclamation of the Siskiyou County Board of Supervisors proclaiming the month of November, 2024 as National American Indian Heritage Month. Approved.

It was moved by Supervisor Kobseff, seconded by Supervisor Criss and carried, following a roll call vote with Supervisors Haupt, Valenzuela, Criss, Ogren and Kobseff voting YES to approve the Proclamation recognizing National American Indian Heritage Month, and authorize the Chair to sign.

Office of Emergency Services - Presentation of an update and after action analysis re the Shelly Fire. Presentation and discussion only.

Office of Emergency Services (OES) Director Bryan Schenone appeared before the Board.

Mr. Schenone presented a powerpoint regarding the Shelly Fire, including an overview of various fire related statistics (i.e. location, start date, containment date, total acreage, etc.) and various evacuation alerts, warnings and orders that were issued. Mr. Schenone summarized the systems used to issue and distribute alerts/warnings/orders to the public, including the new ReadySiskiyou Alerts platform, Integrated Public Alerts and Warnings System (IPAWS), Genasys Protect and social media. Mr. Schenone advised that no structures or human lives were lost although there were impacts on Scott Valley businesses and hikers on the Pacific Crest Trail (PCT).

Continuing the powerpoint, Mr. Schenone provided an overview of the Agriculture Department and other partners' efforts to provide shelter and food for large and small animals during the event. Mr. Schenone summarized Soil Burn Severity and Vegetation Mortality maps, sharing concerns that a large portion of the fire's 15,520 acres were 75% or higher mortality, and provided an overview of various post-fire cleanup and mitigation efforts being made. Mr. Schenone summarized lessons learned, including the need to decrease the size of many of the fire evacuation warning zones to provide more precise warnings, and the benefits associated with adding a GIS layer identifying structures.

Discussion followed between members of the Board and Mr. Schenone regarding the anticipated process to invite public participation with regard to zone modification, the potential process for addressing the timber on both public and private lands, support for modifying the size of various warning zones, the need to refine the process for distributing information to the public during wildfire events, the need to research a possible 'AG Pass' process for livestock owners' access to their animals during evacuations and the potential for flooding events following wildfires.

Scott Valley resident Brandon Fawaz shared concerns regarding the negative economic impacts associated with the Shelly Fire and closure of stretches of the PCT, and the impacts associated with State water restrictions and inability to get fire insurance on local farms and ranches.

Further discussion followed regarding the need to address a new model for fire fighting in the County (i.e. consolidation of local fire departments/districts), the costs associated with fighting wildfires, the need for an agenda item to further research and discuss a possible County-wide fire department or other methods to consolidate services (i.e. cooperating agreements) and the benefits associated with a centrally located grant writer.

Presentations from the Public

First 5 Siskiyou Children and Families Commission Executive Director Karen Pautz appeared before the Board with County Librarian Teresa Johnson and Literacy Coordinator Debra Davis.

Ms. Pautz provided an overview of the upcoming 17th Annual Read Across Siskiyou event happening on November 13, 2024, including members of the Board's participation in reading events around the County. Ms. Pautz presented the one book being read County-wide entitled: Big Dance by Aoife Greenham and requested adoption of a Proclamation for the 17th Annual Read Across Siskiyou event at the next Board meeting. Ms. Pautz and Ms. Davis further advised of upcoming events provided by partnering with the local YMCA and Library branches.

County Administration - Discussion, direction and possible action re award of bid for replacement of the County's current Enterprise Resource Planning (ERP) system to Tyler Technologies as detailed in the attached cost analysis. Approved.

Deputy County Administrator Sherry Lawson appeared before the Board and provided an overview of the request to approve awarding a bid to Tyler Technologies to replace the County's current Banner system, including the three responsive bids to the County's Request for Proposals (RFP). Ms. Lawson spoke in support of the future ability of Tyler Technologies to incorporate many of the County's accounting systems, including their ability to automate manual (hand written) tasks.

County Administration – (continued)

Brief discussion followed between members of the Board, County Administrator Angela Davis and Community Development Director Rick Dean regarding the benefits of Tyler Technologies' knowledge of the public sector and support for Tyler Technologies capabilities as the Community Development's Certified Unified Program Agency (CUPA) Program.

It was moved by Supervisor Kobseff, seconded by Supervisor Ogren and carried, following a roll call vote with Supervisors Haupt, Valenzuela, Criss, Ogren and Kobseff voting YES to select Tyler Technologies as the vendor of choice to implement an ERP solution for the County. Authorize the Board Chair to sign the proposal award letter to Tyler Technologies. Authorize the County Administrator or her designee to enter into contract negotiations with Tyler Technologies for ERP replacement & implementation and sign any necessary documents during the negotiation process.

County Administration - Discussion, direction and possible action re municipal tax sharing agreement with the City of Yreka regarding distribution of taxes upon annexation of real property to the City, referred to as the Evans-Wilmarth Annexation (3.2 acres within the County (APN 014-430-120)). Agreement/resolution approved.

Deputy County Administrator Elizabeth Nielsen appeared before the Board and provided an overview and history of negotiations with the City of Yreka (related to the portion of property tax revenue subject to negotiation) to effectuate an annexation of property within the County to the City. Ms. Nielsen shared concerns that the City rejected the County's proposed agreement/resolution and summarized the dispute resolution process which would be costly and lengthy and very rarely utilized by jurisdictions. Ms. Nielsen provided an overview of the County's counteroffer, made in an attempt to bring the issue to resolution, which was also rejected. Ms. Nielsen advised that the County and City entered into an agreement with Berkson Associates to provide a third-party fiscal consultation/report and that, following development of the draft report first phase, the County presented a tax sharing agreement/resolution to the City, which the City had not responded to date at the City staff level. Ms. Nielsen additionally advised that the fiscal consultation costs were \$27,500 which would be evenly split between the County and City and recommended approval of the draft municipal tax sharing agreement (resolution) between the County and City of Yreka, and if approved submit the document to the City and Yreka's Mayor.

In response to Chair Kobseff regarding the Board's options, County Counsel Natalie E. Reed summarized the mediation and arbitration process, during which the Board would retain veto power.

Discussion followed between members of the Board, Ms. Nielsen and Ms. Reed regarding the County's proposed agreement/resolution that was consistent with County Resolution 24-104 which established a policy for negotiating tax sharing agreements with regard to city annexations/detachments, concerns regarding the potential precedent setting action, the high costs and lengthy time associated with the mediation/arbitration process, the nonbinding nature of the mediation/arbitration process, County staff's process for consulting with South Yreka Fire Protection District regarding the negotiations, the notification that was given to local jurisdictions when the Board adopted Resolution 24-104 establishing a policy for negotiating tax sharing agreements and the discussions that took place between the County and City regarding the Berkson Associates report.

In response to Deputy County Clerk Wendy Winningham regarding the draft tax sharing document, Ms. Nielsen clarified that the document being considered for approval was titled municipal tax sharing agreement, could also be referred to as an agreement/resolution.

Following further discussion regarding the process to approve the agreement/resolution being presented, the anticipated process for presenting the approved document to City staff and City Council and the failure of staff-to-staff negotiations to result in approval of the agreement/resolution, It was moved by Supervisor Kobseff, seconded by Supervisor Haupt and carried, following a roll call vote with Supervisors Haupt, Valenzuela, Criss, Ogren and Kobseff voting YES to approve the tax sharing agreement (resolution) and authorize the Chair to sign.

In response to Chair Kobseff, Ms. Reed advised that staff would agendaize a new item for the December 3, 2024 Board meeting to further discuss this matter.
