Subject: Golden Eagle Charter School

To the Siskiyou County Board of Supervisors.

I am in full support of Golden Eagle's new use permit application. Golden Eagle is a great asset to our community. My daughter, who graduated from Golden Eagle, benefited from the individual support offered by this school. Golden Eagle's new location is perfect for a growing educational facility much needed by many of our area's children. We all should be happy with Golden Eagle's continued success and support its expansion.
