**Re: Support for Updated Use Permit for Golden Eagle Charter School at 1030 W.A. Barr Road in Mount Shasta**

Honorable Siskiyou County Board of Supervisors,

We are writing to you to express our support for Golden Eagle Charter School. We ask that you please support the Planning Commission's resolution for an Updated Use Permit for Golden Eagle Charter School's new campus located at 1030 W.A. Barr Road in Mount Shasta.

Our children (1<sup>st</sup> and 4<sup>th</sup> graders) attend the 1030 W.A. Barr Road Golden Eagle Charter School campus. We privately homeschooled our children until January 2024 when we enrolled in Golden Eagle Charter School.

We both grew up in Mount Shasta and aside from going to college have lived and worked in Siskiyou County and now are raising our family here. We value the natural environment and outdoor recreation and small-town community. Family health circumstances have dictated our need to privately homeschool as well as our inability to enroll in a traditional public-school setting.

The proximity of the new campus to the Siskiyou County Office of Education's 10.57-acre Larry Wehmeyer Environmental Education Area provides a unique opportunity for students to access this incredible outdoor science resource. This is a key reason for our decision to enroll at this Golden Eagle campus.

We value the service that Golden Eagle Charter School provides as a California Public School to offer California Standards Based education with an independent study methodology that meets each child's unique learning styles and needs. This extends to the families as part of the School Community. Since our enrollment we have been received warmly every day by the staff, teachers, and administration as we develop learning programs for our children. The care and support for our family and children is "Five Star".

We see a great beacon of opportunity for our children's primary and secondary education if Golden Eagle expands their facilities on this property to be able to house their entire South County program enrollment.

Again, we ask that you support the Updated Use Permit for Golden Eagle Charter School at 1030 W.A. Barr Road in Mount Shasta.

Thank you for your consideration.

Sincerely,

Meadow and Ian Fitton

Dear Deputy Winningham,

Please find attached a comment letter re: the May 7th 1:30 Public Hearing regarding Golden Eagle Charter School Use Permit. I did put a hard copy in the mail, and emailed it to the Board of Supervisors email addresses as well.

Sincerely,

Meadow Fitton
