Exhibit A

Willow Glen Care Center is pleased to report that it is completing its twenty-eighth year of service to the Counties in northern and central California. As we prepare for FY '24/'25, we continue to adhere to the original goal of providing the highest quality of care and programming at the lowest possible cost to the County.

The rates below reflect the proposed rate changes for FY '24/'25. The rate increase is principally the result of changing minimum wage laws in California affecting healthcare workers and the fast food industry. Market-appropriate increases to food and general supplies are also included in the new daily rate.

We hope that this proposal is understandable and that it continues to reflect the unique value offered to the Counties and to the clients placed in our care.

Please note that all facilities available to your county are listed below, regardless of whether or not the county has contracted with those facilities in the past.

LPS declarations will be paid for by Willow Glen Care Center and reimbursed by the county at a rate of \$250 for each evaluation. There is no requirement that a county utilize our clinicians for declaration.

Multi-year contracts should include additional increases of \$10 per day at each facility, for each year beyond FY '24/'25, to help offset future expected increases to the organization's expenses.

The new Rate Schedule is planned to become effective on July 1, 2024 to coincide with the renewal of the Willow Glen Care Center's contract for FY '24/'25. Rates for pre-approved one-to-one supervision and transports remain the same. If you have any questions regarding the rate change, please contact me at (530) 751-9904 We appreciate the support of all the Counties and look forward to continuing to provide the care you expect.

Thank You
