## TERMS AND CONDITIONS

1. **CHARGES, FEES, AND PAYMENT.** Client shall pay the charges and annual fee for Standard Support Services as specified in Exhibit B to Addendum A (System Implementation). The annual fee is payable annually in advance prior to the first day of the renewal term. For all charges and fees, Client will pay a late charge of one and one-half percent (1 1/2%) of the amount not paid within thirty (30) days of receipt of invoice, whichever is later. At its sole discretion, Paradigm may increase its license fee and its charges for support and services by giving Client at least ninety (90) days' notice prior to the affected term. If Paradigm provides services not expressly agreed to in this Agreement or in its Addenda, Client will be charged and agrees to pay for them at Paradigm's then-applicable rates. Prices and fees are exclusive of all current or future excise, sales, use, occupational, or like taxes, and Client agrees to pay any such tax Paradigm may be required to collect or pay (including interest and penalties imposed by any governmental authority) which are imposed upon the sale or delivery of goods, licensed software, or services rendered hereunder. Exemption from such taxes, if any, shall be the responsibility of Client to pursue.
2. **CLIENT RESPONSIBILITIES.** Client agrees to test, and if operable, accept and use updates, amendments and alterations to the Software furnished to Client hereunder and to provide, install and maintain, at no cost to Paradigm, for the duration of this Agreement, an adequate connection for remote support approved by Paradigm. Client shall allow Paradigm access to the Software via this connection for the purpose of providing Standard Support Services. Administrative access to the Software will be required for implementation, and during the Support and Services period. The Software will be required to have specific access to "\*.paradigmsoftware.com" and TCP port 443. To effectively troubleshoot any issues that may occur with your system, we require access to logs and other relevant troubleshooting resources. These resources are necessary for us to identify the root cause of the problem and develop an appropriate solution.
3. **COVERAGE.** The Software eligible for Standard Support Services (as defined below) are *WeighStation*® CW6 as updated with all current modules, applications, amendments, alterations, enhancements, improvements, and updates furnished to Client from time to time under warranty (the "Software"). Support Services will be provided exclusively for the Client's currently supported version of Software, running on the operating system version approved by Paradigm. The supported version refers to any build released by Paradigm within the past 24 months. The Client agrees to remain current (within the last 24 months) by either installing the latest build of the Software as provided by Paradigm or engaging with Paradigm to install the latest build for the Client.
4. **STANDARD SUPPORT SERVICES.** During the term of this Agreement, Paradigm will provide to Client its Standard Support Services described in this paragraph (the "Standard Support Services"). Subject to the license granted to Client in the Software, Paradigm will provide technical services to design, code, check out and deliver amendments or alterations to the Software necessary to correct or solve any programming error attributable to Paradigm which caused the Software not to perform substantially as described in the current, standard editions of manuals delivered to Client by Paradigm describing the use of the Software (the "Documentation"). Such Standard Support Services will be promptly provided after Client has identified and notified Paradigm of any such error in accordance with Paradigm's reasonable reporting procedures as in effect from time to time and in accordance with the Service Levels identified in Addendum B. Standard Support does not include the re-installation of the Software or the running of updates to the

Software on the Client's workstations, servers, or other hardware. The re-installation of the Software or running of updates to the Software on the Client's workstations, servers or other hardware will be billed at Paradigm's then-applicable rates, and in accordance with Addendum B. Paradigm will also provide reasonable telephone consultation in the use and operation of the Software during the hours of 7:00 a.m. through 7:00 p.m. Eastern Time on weekdays, except Paradigm holidays. Such consultation will be available only to one contact or alternate, designated by Client in advance in writing from time to time. In addition, if Paradigm elects to include them under its Standard Support Services program and does not market them separately to Standard Support Services clients generally, Paradigm will deliver updates of the Software to Client from time to time, without any charge other than as specified on Exhibit A to Addendum A attached hereto. Clients may receive up to one (1) hour of solution tuning annually. Solution tuning is defined as time spent with Paradigm staff to discuss the client's configuration and recommend modifications to better the client's operation.

5. **TERM AND RENEWAL.** Provided payment has been made as required hereunder, Paradigm shall provide Client with Standard Support Services for a period of one (1) year. Thereafter, the term for Standard Support Services will automatically renew in successive one (1) year periods, unless either Paradigm or Client gives written notice to the other of an intention not to renew at least sixty (60) days prior to the commencement of any renewal term. The term and renewal of the license of the Software is governed by Addendum A hereto.
6. **OTHER SERVICES.** Client agrees to pay Paradigm's then applicable rates and charges for services not included in Standard Support Services, together with all costs incurred in connection therewith. Investigation and research for Client identified conditions determined by Paradigm not to be attributed to Paradigm programming errors shall be billed to Client as such other services.
7. **PROPRIETARY RIGHTS.** Any programs, works, manuals, changes, additions, alterations, amendments or enhancements in the form of new or partial programs, Software, Source Code or Documentation ("IP") as may be provided by Paradigm under this Agreement, and all copies thereof, shall be and remain the sole and exclusive property of Paradigm and shall be available for use by Client under and subject to the license granted in this Agreement and Addendum A hereto. As between the parties, Paradigm retains all right, title, and interest in and to the IP, including, but not limited to, copyrights, trademarks, service marks, patents and other proprietary rights, and no such rights are conveyed to Client by virtue of any portion of this Agreement.
8. **TERMINATION.** Paradigm may terminate this Agreement upon the failure of Client to perform or observe any covenant or obligation set forth herein, including, but not limited to, Client's failure to pay fees and charges, provided Paradigm has given Client thirty (30) days prior written notice of the failure, and Client has failed to cure such failure within such time. Upon termination, the Client shall cease using the Software and shall return to Paradigm, or, at Paradigm's option, destroy, the original and all copies of the Software, the Documentation and any other materials provided by Paradigm. Upon termination, the obligations of Client set forth in the paragraphs entitled "Scope," "Title and Ownership" and "Confidentiality" shall survive termination. Paradigm's rights of repossession may be enforced by Software disablement. Client may terminate its obligations under this agreement at any time, with or without cause, upon providing thirty (30) days' written notice to Paradigm.

9. **CONFIDENTIAL INFORMATION.** “Confidential Information” shall mean this Agreement, all strategic and development plans, financial condition, business plans, data, business records, client lists, project records, employee lists and business manuals, policies and procedures, information relating to processes, technologies or theory and all other information which may be disclosed by either Party or to which they may be provided access in accordance with this Agreement. Except as otherwise provided herein, each Party agrees to treat confidentially and to not disclose to any person any Confidential Information about which it becomes aware. Each Party shall use all Confidential Information received by it solely in connection with this Agreement and for no other purpose whatsoever. Each Party shall strictly limit access to any Confidential Information to its employees, independent contractors, and agents who are under a contractual obligation to maintain the confidentiality of such information, and who have a need-to-know. Each shall safeguard all Confidential Information received by it using the same degree of care with which it protects the confidentiality of its own Confidential Information, but in no event less than a reasonable degree of care.

14. **ASSIGNMENT.** This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns. Client may not assign, sell or otherwise transfer this Agreement nor any of the rights hereunder without the prior, express written consent of Paradigm.

15. **ESCROW.**

15.1 Escrow Agent. Safe Secure Escrow, LLC (the "Escrow Agent") has entered into an Agreement with Paradigm and accepted and currently holds on deposit a single copy of the source code for the *WeighStation*® CW6 computer program ("Source Code") that has been licensed to Client pursuant to the Agreement. Paradigm shall deposit an updated copy of the Source Code monthly of such updates, and each updated copy shall upon deposit be deemed the Source Code under the Agreement. The copy of the Source Code held by Escrow Agent shall be and remain the exclusive property of Paradigm, and Escrow Agent will hold the Source Code as specifically provided in this Section 14. Escrow Agent will hold the copy of the Source Code in a secure cloud or other digital environment and may deliver a copy of the Source Code to Client, but only under the conditions specified in this Section 14. Upon reasonable request, and at Client's cost, Client may examine the copy of the Source Code to verify compliance with the terms hereof. Such examination shall be conducted on a computer to be made available by Paradigm at its premises in Cockeysville, Maryland.

15.2 Conditions for Escrow Release. Client shall be entitled to receive from Escrow Agent and to make limited use as provided in this Agreement of a single copy of the Source Code, if (i) Paradigm releases the Source Code to other licensees as a matter of general policy; (ii) Paradigm refuses to offer Client error correction services or changes required to comply with federal regulations at Paradigm's standard rates and on its standard terms and conditions; (iii) Paradigm becomes insolvent, makes a general assignment for the benefit of creditors, suffers or permits the appointment of a receiver for its business or assets, or has voluntarily wound up or liquidated its business (or that segment of its business pertinent to the License Agreement); or (iv) Paradigm as a debtor-in possession or a trustee-in-bankruptcy in a case under the United States Bankruptcy Code rejects the Agreement. Any of the foregoing events is referred to below as a "Release Condition." Upon the happening of any Release Condition, Client may at its option give Escrow Agent written notice (the "Notice") requesting a copy of the Source Code. The Notice shall (i) be labeled "Notice Under Section 14 of Agreement Dated February 1<sup>st</sup>, 2025\_\_\_\_\_", (ii) specify the Release Condition with reference to the applicable subsection of this Agreement; (iii)

identify (by application name, version number and release date, and any other pertinent information) the computer programs for which Source Code is on deposit and which Client desires to have released; and (iv) be given within sixty (60) days of Client's knowledge of the happening of the applicable Release Condition. Upon receipt of the Notice, Escrow Agent shall send a copy to Paradigm by commercial form guaranteed delivery, including encrypted retrieval ("Secure Delivery"). If Paradigm denies or disputes an alleged Release Condition, Paradigm shall, within sixty (60) days after the receipt of the copy of the Notice from Escrow Agent, deliver to the Escrow Agent a statement (the "Statement") identifying its dispute. Escrow Agent shall send a copy of the Statement to Client by Secure Delivery, and Escrow Agent shall continue to hold the Source Code in accordance with this Agreement. If Escrow Agent does not receive the Statement within the applicable time period, then Escrow Agent is authorized and directed to deliver a copy of the applicable Source Code to Client. Upon delivery to Client under any circumstances, the Source Code shall become a part of the licensed software and shall be subject to all of the license and confidentiality provisions and obligations set forth in the Agreement. In the event that Paradigm delivers the Statement to Escrow Agent in the manner and within the time period set forth above, Escrow Agent shall not release a copy of the Source Code or any part thereof, to Client unless (i) required to do so by order of a court of competent jurisdiction, or (ii) Escrow Agent has received written instructions with authorized signatures of both Paradigm and Client requesting release to Client. The Escrow Agent shall withhold release of the Source Code to the Client if any fees or costs owed by the Client to Paradigm are unpaid.

**15.3 Termination and Cancellation.** The delivery of a copy of the Source Code to Client hereunder shall act as a termination of all of Paradigm's responsibilities, all of Paradigm's warranties, and all of Paradigm's software support obligations under the Agreement and all other agreements between Paradigm and Client. In the event a copy of the Source Code is provided to the Client, Paradigm shall retain all right, title and interest in and to the IP as provided by Section 7 of this Standard Support Services and Licensing Agreement and any other attachment thereto, and the license granted, and the term thereof as provided in Addendum A to this Standard Support Services shall remain in effect.

**15.4 Limitation on Escrow Agent's Liability.** As a fiduciary, conservator, receiver, or guardian of the Source Code that it receives, Escrow Agent's obligation is solely one of safekeeping. Escrow Agent shall not be obligated or required to examine or inspect the Source Code. The Escrow Agent cannot and does not warrant the content of the Source Code that it receives from Paradigm, regardless of the media used to transmit it. Escrow Agent's obligation for safekeeping shall be limited to providing the same degree of care for the Source Code as it maintains for its valuable documents and those of its other clients at the same location. However, Escrow Agent nor Paradigm shall not be responsible for any loss or damage to the Source Code due to a computer or hardware crash, malfunction, or changes in atmospheric conditions (including, but not limited to, failure of the air conditioning system), unless such changes are proximately caused by the gross negligence or malfeasance of Escrow Agent. Escrow Agent shall be protected in acting upon any written notice, request, waiver, consent, receipt or other paper or document furnished to it, not only in assuming its due execution and the validity and effectiveness of its provisions but also as to the truth and acceptability of any information therein contained, which it in good faith believes to be genuine and what it purports to be. In no event shall Escrow Agent be liable for any act or failure to act under the provisions of this Agreement except where its acts are the result of its gross negligence or malfeasance. Escrow Agent shall not have duties except those which are expressly set forth herein, and it shall not be bound by any notice of a claim, or demand with respect thereto,

or any waiver, modification, amendment, termination or rescission of this Agreement, unless such notice is in writing and actually received, and, if its duties herein are affected, unless it shall have given its prior written consent thereto. Paradigm and Client shall jointly and severally indemnify Escrow Agent against any loss, liability, or damage (other than any caused by the gross negligence or malfeasance of Escrow Agent), including reasonable costs of litigation and counsel fees, arising from and in connection with the performance of its duties under this Agreement. Paradigm and Client acknowledge that neither this Agreement nor their waiver of any potential conflict created hereby will materially limit the ability of the Escrow Agent to perform hereunder.

15.5 Intellectual Property. The release of the Source Code to Client will not act as an assignment of any intellectual property rights that Paradigm or any third party possesses in the Source Code. The Source Code shall remain at all times the confidential and intellectual property of Paradigm. In the event that Escrow Agent releases the Source Code to the Client, Client shall be permitted to use the Source Code only to the extent of Client's license pursuant to the Agreement.

15.6 Disputes. In the event of any disagreement between the parties resulting in adverse claims and demands being made in connection with or against the Source Code, Escrow Agent shall refuse to comply with the claims or demands of either party until such disagreement is finally resolved (i) by a court of competent jurisdiction (in proceedings which the Escrow Agent or any other party may initiate, it being understood and agreed by Client and Paradigm that Escrow Agent has authority (but not the obligation) to initiate such proceedings), or (ii) by an arbitrator in the event that Client and Paradigm mutually and jointly determine to submit the dispute to arbitration pursuant to the rules of the American Arbitration Association, and in so doing Escrow Agent shall not be or become liable to a party, or (iii) by written settlement between Client and Paradigm.

15.7 Resignation. The Escrow Agent may resign by delivery of a thirty (30) day written notice to both Paradigm and the Client. The Escrow Agent will deliver the Source Code upon the joint written direction of Paradigm if received within thirty (30) days of the date on the Escrow Agent's notice of resignation. If no direction is received within the time period outlined, the Source Code will be delivered to Thomas M. Wagner & Associates, 323 Williams Street, Bel Air, MD 21014 to serve as acting trustee, until a new successor escrow agent is secured by Paradigm.

## 16. MISCELLANEOUS.

This Agreement, including all of its Terms and Conditions and Addenda are the entire agreement and understanding between the parties with respect to the subject matter hereof. This Agreement supersedes all prior and contemporaneous agreements, negotiations, representations, and proposals, written and oral, relating to the subject matter hereof. Client expressly acknowledges, agrees, and represents to Paradigm that there are no understandings or agreements with respect to the subject matter hereof other than as expressly set forth in this Agreement. Client agrees that no contrary terms and conditions of any subsequent Client purchase order, no course of dealing, trade custom or usage of trade, and no warranty made during the course of performance, will apply, unless expressly agreed to by Paradigm in writing. This Agreement cannot be modified except by writing signed by the duly authorized representatives of both parties.

16.3 Invalidity. In the event any provision hereof shall be deemed invalid or unenforceable by any court or governmental agency, such provision shall be deemed severed from this Agreement and replaced by a valid provision which approximates as closely as possible the intent of the parties. All remaining provisions shall be afforded full force and effect.

16.5 Non-Solicitation. During the term of this Agreement and for twelve (12) months after its termination, neither Paradigm nor Client may employ or solicit to employ persons employed by the other.

16.6 Force Majeure. Except as expressly provided to the contrary in this Agreement, the dates and times by which Client or Paradigm are required to render delivery or performance (but not to make payment) under this Agreement shall be automatically postponed to the extent, and for the period of time, that Client or Paradigm, as the case may be, is prevented from meeting such dates and times by reason of causes beyond its reasonable control.

16.7 Inconsistency. Unless specified to the contrary in any addendum, exhibit, schedule, supplement or other attachment, in the event of any conflict or inconsistency between such items and the provisions of this Agreement, the provisions of this Agreement shall prevail and govern the interpretation thereof. No inference shall be drawn against, and no construction shall be adverse to, the party responsible for drafting or preparing this Agreement or any of its parts, or any addendum hereto, by virtue of such drafting or preparation.

16.8 Limitations. Any cause or action against Paradigm arising out of or in connection with this Agreement or any schedule or other agreement executed in connection herewith shall be instituted and served upon Paradigm not later than eighteen (18) months following the occurrence of or discovery of the first event giving rise thereto.

16.9 Independent Contractors. Nothing in this Agreement shall make Paradigm and Client partners, joint venturers or otherwise associated in or with the business of the other. Neither party shall be liable for any debts, accounts, obligations or other liabilities of the other or their agents or employees. Neither is authorized to incur debts or obligations on the part of the other except as specifically authorized in writing.

16.10 Counterparts. This Agreement may be executed in more than one counterparts, each of which shall be deemed an original and all of which shall constitute one in the same instrument. Copies of this Agreement shall have the same force and effect as an original, and each of the Parties hereto expressly waives any right to assert that such copies fail to comply with the "Best Evidence" rule or any equivalent rule of law or evidence of any jurisdiction.

### 5. Service Level Requirements

#### 5.1 Incident Severity Ranking

Severities for all Incidents in which the Software is not operating as described in the Agreement, will be jointly classified by the Client and Paradigm under one of the following three classifications and according to their “severity ranking” impact on core areas of the Software function listed in the table below:

- (1) Displaying information to Operators
- (2) Capturing information from site peripherals
- (3) Acquiring / Storing information from the Software

Severity Ranking	Identification	Description
1	Emergency	<b>Complete stop or major breach of the Software or Hardware ceases Client operations for one or more users at a critical period.</b> (Example: unable to process transactions, major failure, server shutdown, unable to start the application on multiple computers, a hardware failure that affects all operations, etc.).
2	High	<b>Major problem that disrupts operations during working hours. A work around may be available to assist the Client until the problem is resolved.</b> Note: Issuing transaction tickets manually is not an acceptable work around; such a situation would be considered an incident with a severity ranking of “Emergency”. (Example: Application problem affecting multiple staff or core work processes, such as transaction processing, collecting charges for account customers or rate calculations).
3	Medium	<b>Problem that impacts operations and requires resolution and has an acceptable workaround for the short term.</b> (Example: A limited problem affecting only a few staff or minor work process but where a work around exists, such as rate settings for statutory holidays or administrative reporting).

<b>4</b>	<b>Low</b>	<b>Minor problem or request for information from users.</b> (Example: Configuration settings, requests for information purposes only, etc.).
<b>5</b>	<b>Wish List</b>	Suggestions for improvement, ideas or input from Clients that would be considered for future updates or upgrades to the application.

## 5.2 Response and Resolution Times

<b>Severity Ranking</b>	<b>Response time</b>	<b>Corrective Plan</b>	<b>Required Outcome</b>
<b>1 Emergency</b>	Respond immediately to the Client or contact in the immediate hour of receiving the incident notification	Diagnose problem and establish plan to correct failure within two (2) hours	Return to operation within four hours
<b>2 High</b>	Respond immediately to the Client or contact within one hour of receiving the incident notification	Diagnose problem and establish plan to correct failure within two (2) hours	Return to operation within one (1) business day, or as agreed to by the Contractor and Client representative
<b>3 Medium</b>	Respond immediately to the Client or contact within two business hours of receiving the incident notification	Establish plan to correct failure within twenty-four (24) hours	Return to normal operation within two (2) business days including weekends or as agreed to by the Contractor and Client representative
<b>4 Low</b>	Respond immediately to the Client or contact within one business day of receiving the incident notification	Establish plan to correct failure within forty-eight (48) hours	Return to normal operation within five (5) business days or as agreed to by the Contractor and Client representative

## 5.3 Response Times Not Met – Required Actions

To the extent of the above-mentioned table, if an Incident is not fixed within the time periods specified in the “Required Outcomes” column of the table in Section 5.2 of this Addendum B and/or would have a noticeable and negative effect on the Client’s operations, the Client can escalate and address the problematic situation with the management team of Paradigm to agree on a plan of corrective actions. As part of Paradigm’s Service Level Monitoring, all incidents with a Severity Ranking of 1, 2, or 3

will automatically be escalated by Paradigm to the designated Paradigm and Client management contacts.

<b>Response Time Exceeded</b>	Client will contact Support and Services Manager to expedite response
<b>Corrective Plan Time Exceeded</b>	Client will request Support and Services Manager to support problem diagnosis
