Re: Paper Donation

Date: February 19, 2025

Siskiyou County Health and Human Services, Behavioral Health Division, has approximately 70 cartons of colored paper stock at a cost of approximately \$4,500 that has been in storage for 10+ years. The paper has been listed as County Surplus for 11 months.

With the approval of the Board of Supervisors, Behavioral Health would like to donate the paper to Yreka Union School District as they have a current need for paper supplies.
