Siskiyou County Supervisor Michael Kobseff,

Attached is a copy of the letter sent to The California Regional Water Quality Control Board. The Board is meeting this month to address a variety of issues. This is our opportunity to address our grievance with the Board.

It is the support of the Board of Supervisors that we are seeking. If you could bring this excessive Permit Fee to the attention of the Board and ask the Board to authorize a letter in our support to the California Regional Water Quality Control Board, it would be greatly appreciated.

Thank you,

A handwritten signature in dark ink, appearing to read "Frank Cena". The signature is fluid and cursive, with the first name "Frank" written in a larger, more prominent script than the last name "Cena".
