To whom it may concern,

The Tulelake Multi-County Fire District (TMCFD) would like to acquire the 1985 Chevrolet pickup VIN#1GCHK33M9FS1722021 from the Pleasant Valley Fire Department within Siskiyou County General Fire. The TMCFD would like to acquire the vehicle, if possible, in our new 501(c)(3) name of Tulelake Emergency Services Foundation (TESF). Not only would this vehicle aid in need of small fires for the department if needed, but mainly serve as a unit that the foundation can use for their community fundraisers and eventually to help the community in times of disaster. With our recent snow storms this winter, the town and community of Tulelake realized the extreme need for an additional snow plow truck and this vehicle would suit that perfectly. This includes the approx 120 sq miles in our jurisdiction as well as the larger service area we cover in Siskiyou and Modoc county. The TMCFD would greatly appreciate the donation of this vehicle in the name of TESF, but if not possible would also accept it in the name of TMCFD. Thank you for your consideration in helping out the Tulelake community.

Sincerely,

A handwritten signature in black ink, appearing to read "Nick Scott", with a long horizontal line extending to the right.

Nick Scott, TMCFD Chief.
