Superior Court notified Probation of additional funds they have available through the Pretrial Grant (see attached email). The grant pays for an Officer and parttime Aide assigned to Pretrial cases, cost of electronic monitoring, and services and support to assist individuals with housing, transportation to treatment, appointments and back to Court. The funds need to be spent by 6/30/25. The Court reimburses Probation on a quarterly basis for expenses. The Probation Department also anticipates an excess of funds in salaries and benefits that we are transferring to expenses in order to spend down the grant balance.
