No, it's \$18,328.58 extra from the courts only.

It's \$67,158 with your remaining balance of \$48,829.77.

Hi Lorena,

Just to be clear, you are saying that the Courts have an additional \$67,158 available for Probation to spend by 6/30/25?

That's a lot more than I anticipated, but I will see what I can do.
