ANNUAL SUPPORT

6.1.1 TECHNICAL SUPPORT FEES

Chent understands that technical support fees will be required annually, in order to receive software updates and technical support. The initial support period shall begin from the date of software installation as part of the initial licensing purchase. The Client may elect to purchase subsequent annual support, on a yearly basis at fixed cost, billed annually as referenced in Section 4 above. The option to purchase annual support is sofely at the Client's discretion. The Client's license to use PbG is not dependent upon the Client purchasing annual support; however, if the Client discontinues annual support it will not be provided with updated versions of the software, unless it is purchased. Provided Client's computers, network and systems meet recommended specifications set for by Karpel Solutions and the Client is current with annual support payments then Karpel Solutions shall provide updated versions of their system and/or software as they become available during the terms of the contract.

6.1.2 SUPPORT PROVIDED

Karpel Solutions will provide support (e.g. software updates, general program enhancements and technical support) for all software provided, including ongoing unlimited telephone technical support problem determination, and resolution.

6.1.3 HOURS OF OPERATION

Karpel Solutions will provide technical support Monday through Friday, at a minimum of eight (8) hours a day. Technical support services shall be available between the hours of 7.00 a.m. through 7.00 p.m. Central time, via a toll free telephone number provided

6.1.4 INCLUDED SUPPORT

Support services include the detection and correction of software errors and the implementation of all PbK program changes, updates and upgrades. Karpel Solutions shall respond to the inquiries regarding the use and functionality of the solution as issues are encountered by Authorized Users.

6.1.5 RESPONSE TIMES

Karpel Solutions shall be responsive and timely to technical support calls/inquires made by the Client. The Client will first make support inquires through their qualified system administrators to assure the policies and business practices of the Client are enforced prior to contacting Karpel Solutions. The timeliness of the response is dependent upon the severity of the issue/support problem, as defined below:

CBS lader Bal. S. D. S. L. S. Wielling, Mrs 2 & Ve. assistance

The severity of the issue/support problem shall determine the <u>average problem resolution response</u> time in any calendar month of the contract as follows:

Severity Level 1 shall be defined as urgent situations, when the Clients's production system is down and the Client is unable to use PbK. Karpel Solutions' technical support staff shall accept the Client's call for assistance at the time the Client places the initial call, however if such staff is not immediately available. Karpel Solutions shall return the customer's call within one (1) business hour. Karpel Solutions shall resolve Severity Level 1 problems as quickly as possible, which on average should not exceed two (2) business days, unless otherwise authorized in writing by the Client.

Severity Level 2 shall be defined as critical software system component(s) that has significant outages and/or failure precluding its successful operation, and possibly endangering the customer's environment. PbK may operate but is severely restricted. Karpel Solutions' technical support staff shall accept the customer's call for assistance at the time the customer places the initial call; however if such staff is not immediately available, Karpel Solutions shall return the Client's call within four (4) business hours. Karpel Solutions shall resolve. Severity Level 2 problems as quickly as possible, which on average should not exceed three (3) business days, unless otherwise authorized in writing by the customer.

Severity Level 3 shall be defined as a minor problem that exists with PbK but the majority of the functions are still usable and some circumvention may be required to provide service Karpel Solutions' technical support staff shall accept the Client's call for assistance at the time the customer places the initial call, however if such staff is not immediately available, Karpel Solutions shall return the Client's call on average no later than the next business day. Karpel Solutions shall resolve Severity Level 3 problems as quickly as possible, which should not exceed the next available release of software, unless otherwise authorized in writing by the Client.

General Assistance: For general software support/helpdesk calls not covered by the above severity level descriptions, Karpel Solutions' technical support staff shall accept the Client's call for assistance at the time the Client places the initial call; however if such staff is not immediately available, Karpel Solutions shall return the Client's call on average no later than the next business day.
