Project Name:	SGF Innovation 3.0 Project
Amount of Grant:	\$1,648,815
Last Updated:	10/21/2025

Project Description:

The California Department of Public Health (CDPH)/California Home Visiting Program (CHVP) will awarded Local Health Jurisdictions (LHJs) with state general funding to implement innovative home visiting or home visiting related programs or projects that provide services to pregnant and parenting families. Project period July 1, 2026 - June 30, 2029.

Summary:

Siskiyou County Public Health (SCPH) will utilize the funding to strengthen system coordination and expand access to early identification, referral, and support services for families across Siskiyou County. The program will aim to enhance developmental and behavioral health screenings, improve coordination of medical, dental, and social service referrals, and engage families in activities that promote resilience, connection, and well-being.
