Department Director/Contact No.	Greg Roath (530)842-3516
Project Name:	Volunteer Fire Capacity (VFC) Grant - Hammond Ranch Fire Zone
Amount of Grant:	\$ 20,000
Last Updated:	

Project Description:

This project will provide essential personal protective equipment for our firefighters. Grant funds will be used to purchase 10 complete sets of turnout gear, including coats, pants, turnout boots, and structural gloves. This equipment will replace outdated and non-compliant gear, improve firefighter safety and ensure our department meets current NFPA standards.

Summary:

The purpose of this proposed project is to equip CSA-4 Hammond Ranch Fire Zone personnel with new structural gear that meets NFPA 1977 standards, thereby enhancing our ability to protect the community from devastating fires.
