Director, Siskiyou County Behavioral Health Services

Re: 2025/2026 Rates

Dear Sarah,

Wishing you and your loved ones a safe and peaceful 2025 filled with new opportunities and success for the County you serve. Crestwood is looking forward to a year of continued collaboration and success with Siskiyou County in the new year.

As we prepare for this year's services, resources, staffing recruitment and retention, and budgets for FY 2025/26, we are reaching out to you with our updated rate request related to specific services and communities.

In 2025 Crestwood plans to focus on:

- Suicide prevention as we continue to see the remnants of the pandemic that caused loneliness, hopelessness and isolation that is leading to the increased risk of suicide. We see this risk in our communities and are committed to addressing it with peer support; Community Resiliency Model (CRM); trauma-support services; substance use treatment; Dialectical Behavior Therapy (DBT); and Wellness Recovery Action Plan (WRAP), which all focus on building hope, self-efficacy and community integration.
- In response to SB 43 and to address the needs of persons served and our communities, we completed a substance use treatment pilot program and are rolling out enhanced substance use treatment in our crisis programs, PHFs and MHRCs. We have Kristin Dempsey leading the Motivational Interviewing aspect and our quality education team providing the curriculum and treatment fundamentals.

Crestwood has expanded our recovery and resilience efforts, including:

- **Crestwood Recovery and Resilience Solutions' (CRRS)** bi-monthly podcasts with national leaders including Pat Deegan, Ron Manderscheid, Robert Whitaker, Ken Minkoff, and Paolo Del Vecchio.
- CRRS opened the only **Peer Employment Learning Center (PELC)** in the state, supporting the Peer Support Specialist (PSS) training leading to certification for peers across California and persons served in our Social Rehab Residential programs providing supervised internship. Crestwood has had 4 campuses immersed in the PELC pilot with 49 clients completing the Medi-Cal PSS certification training. Crestwood has hired 16 graduated clients with more yet to be hired.

Crestwood Behavioral Health, Inc. 520 Capitol Mall, Suite 800 Sacramento, CA 95814

- Culturally responsive services reducing the ethnic disparities through the leadership of our **Equity, Diversity, and Inclusion Team (EDIT)** with sponsoring an EDI Fellowship with the College of Behavioral Health Leaders (CBHL) and providing statewide and national webinars.
- **Crestwood Research Center** partnering with Rutgers University, UC Davis, Stanford University, UCSF and leading researchers to provide innovative solutions to the daily challenges of behavioral healthcare, including intensifying our Trauma-Informed environments and justice-engaged services. We will continue to present our data across the state and country.

Crestwood provides the following program services:

- Mobile Response Team (MRT) *
- Access Line*
- Crisis Stabilization Units (CSUs) *
- Psychiatric Health Facilities (PHFs)
- Crisis Residential Treatment (CRT)
- Mental Health Rehabilitation Centers (MHRCs) *
- Transitional Residential Treatment (TRT)
- Transitional Adult Residential Care (ARF)
- Skilled Nursing Facilities (SNFs) with Special Treatment programs, Neuro-behavioral programs, and medical complex support
- Residential Care for Elderly (RCFE)

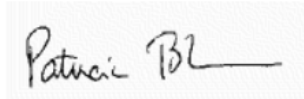

** Expanded in new communities in 2024*

Please see our FY 2025/2026 rate sheet that is attached.

For FY 2025/2026 the greatest impact on our rate increase request is due to meeting the required increases in wages, salaries, and sick time based on the new **healthcare minimum wage (SB 525) and paid sick leave (SB 616)**. Crestwood is providing a comprehensive compensation program with increased salaries, wellness time off and a range of benefits to recruit, hire and retain a committed workforce.

Thank you so much for our partnership and we look forward to working with you in FY 2025/2026. Please contact me or Elena Mashkevich, Executive Director of County Contracts, at elena.mashkevich@cbhi.net for more information or for any additional needs.

Sincerely,

Patricia Blum, Ph.D.
