To Whom It May Concern:

This letter will certify that the County of Santa Cruz is self-insured for all risks typically associated with Comprehensive General and Auto Liability coverage up to \$1 million. The County also purchases an excess liability insurance policy for an amount above \$1 million. Additionally, the County is self-insured for Workers Compensation in accordance with the statutory requirements of the State of California.

Section 990 of the Government Code of the State of California authorizes local public entities to insure these risks and Section 990.4 provides that self-insurance is one of the acceptable forms of such insurance.

Please feel free to contact Franchezca Diaz at 831-454-2926, should you have any questions or concerns.

Sincerely,

Gina Occhipinti Borasi
