This letter informs counties of the California Work Opportunity and Responsibility to Kids (CalWORKs) Home Visiting Program (HVP) allocation for Fiscal Year (FY) 2025-26. A total of approximately \$73.2 million in federal Temporary Assistance for Needy Families funds and General Fund is available based on the Budget Act of 2025.

Established by [WIC Sections 11330.6-11330.9](#), the CalWORKs HVP is a voluntary program supervised by the California Department of Social Services (CDSS) and administered by participating California County Welfare Departments. The CalWORKs HVP is designed to support positive health, development, and well-being outcomes for pregnant and parenting individuals, families, and infants born into poverty; expand future educational, economic, and financial capability opportunities; and improve the likelihood that the family will exit poverty.

In order to participate in the CalWORKs HVP, counties are required to have an approved Request for County Plan (RFCP) on file in accordance with the application

process described in [ACWDL dated April 10, 2024](#). Through the RFCP process, 41 counties applied and have been approved to participate in the CalWORKs HVP during FY 2025-26.

As a reminder, [WIC section 11330.6\(b\)](#) specifies that the services offered via the HVP are not entitlement services and participating CWDs may limit the number of families participating in the program to ensure that costs do not exceed the amount of funds awarded to the county for this purpose. Funding awarded for the purpose of home visiting services must not supplant expenditures from any other existing funding sources subject to county control for home visiting services. HVP funds may be used in combination with funding from other sources if the entirety of services provided meet the award requirements of the program.

This allocation provides specific funding for the CalWORKs HVP. It does not include funding for the CalWORKs HVP Employment Services, as that portion of the funding is included in the Employment Services component of the CalWORKs Single Allocation. The Employment Services funding will be available for exempt cases not participating in a Welfare-to-Work activity that may become exempt-volunteer cases due to participation in the CalWORKs HVP. Additional information regarding FY 2025-26 funding for Employment Services in the CalWORKs Single Allocation was provided in [CFL 25/26-18](#).

The Attachment displays allocations of approximately \$73.2 million in CalWORKs HVP funding for FY 2025-26 for each participating county. The CDSS, in consultation with the County Welfare Directors Association, has distributed the funding based on the following methodology:

- The average of the county's percent to total of both: 1) the FY 2024-25 HVP allocation, as provided in [CFL 24/25-15](#); and 2) the county's percent to total of the FY 2024-25 expenditures, as reported in County Expense Claim Reporting Information System (CECRIS).
- An adjustment was made to ensure each county receives at least a minimum of \$70,000.

The CalWORKs HVP allocation and expenditures are tracked to Ledger 183 – CalWORKs Home Visiting Program. Additional claiming instructions can be found in [CFL 18/19-49](#), [CFL 18/19-69](#), [CFL 18/19-84](#), and [CFL 21/22-26](#).

CalWORKs HVP program costs are claimed to the following PCs:

- PC 4220 – HVP – Federal
- PC 4221 – HVP Federal – Administration
- PC 4222 – HVP Federal – Service Delivery
- PC 4240 – HVP – Non-Federal
- PC 4241 – HVP Non-Federal – Administration

- PC 4242 – HVP Non-Federal – Service Delivery
- PC 4260 – HVP – Non-Federal Non-Maintenance-Of-Effort (MOE)
- PC 4261 – HVP Non-Federal Non-MOE – Administration
- PC 4262 – HVP Non-Federal Non-MOE – Service Delivery

Expenditures exceeding the allocation will be shifted to county-only funding via State Use only (SUO) code 0436 (SUO-Home Visiting Program Overmatch).

Program-related questions regarding the CalWORKs HVP should be directed to the CalWORKs Program Innovation and Evaluation Bureau at CalWORKsHVP@dss.ca.gov. Questions regarding this allocation should be directed to fiscal.systems@dss.ca.gov.
