Subject: Support for Dorene D'Adamo Reappointment to the State Water Resources Control Board

Dear President pro tempore Monique Limón,

The Siskiyou County Board of Supervisors writes in support of Dorene D'Adamo's reappointment to the State Water Resources Control Board.

Ms. Dorene D'Adamo has demonstrated a balanced approach during her service as Vice Chair of the State Water Resources Control Board. She stays informed by attending water and agricultural tours and meeting with both agricultural representatives and tribal communities. We appreciate her willingness to engage with a range of stakeholders and perspectives, as well as her efforts to understand the implications of water quality and water rights decisions on communities across the state.

For these reasons, the Siskiyou County Board of Supervisors respectfully supports her reappointment. Thank you for your consideration.

Sincerely,

Signed by:
