MHSSA GRANT AGREEMENT

EXHIBIT A

SCOPE OF WORK

I. Parties

The parties to this Agreement are the Mental Health Services Oversight & Accountability Commission (MHSOAC or Commission), a state agency headquartered in Sacramento, California; and the Siskiyou County Health and Human Services Agency Behavioral Health Department (Grantee or Siskiyou County) with headquarters in Yreka, California.

II. Summary/Purpose

This grant is part of a total award of \$25 million in grant funding Round 4 under the Mental Health Student Services Act (MHSSA). This is a competitive-bid grant following a Request for Applications (RFA) released in May-June 2024 as RFA MHSSA 004, Addendum 2.

There are four Categories of funding under MHSSA Round 4 for specific services designed to support the previous three rounds. The Categories are: 1) Marginalized and Vulnerable Youth, 2) Universal Screening, 3) Sustainability and 4) Other Priorities. **This grant was awarded under Category 4: Other Priorities.**

Grantee is identified in its grant Application submitted by a MHSSA Partnership that includes school districts, in accordance with program requirements. Applicants were allowed to submit in multiple Categories. Identical grants were awarded to eleven (11) Applicants under Category 4. A total of fifty-one (51) grants were awarded.

The Commission recognizes that the needs of MHSSA grantees, students and families differ from one county to another based on variables between Partnerships such as the number of school districts and the size/demographics of their student populations. In addition, grantees have learned lessons about the efficient use of MHSSA funds as adapted to these variables. The overall Purpose of this Agreement is to support the unique needs of individual MHSSA grantees, as self-identified during the competitive bid process.

MHSSA Round 4

Category 4: Other Priorities

III. Recitals

- A. Mental Health Services Act (MHSA). In 2004, state voters approved Proposition 63, also known as the MHSA. This sweeping law, which created the Commission at Welfare & Institutions Code (WIC) Section 5845, calls for transformation of the mental health system while improving the quality of life for Californians living with mental and behavioral health challenges. The MHSA continues in effect as amended effective January 1, 2025, under Proposition 1. (AB531. Ch. 789, Stats. 2023.)
- B. Budget & Expenditures. On an annual basis, the state Legislature and Governor appropriate funds through the State Budget Act for the Commission to provide oversight, review, training, technical assistance, accountability, and evaluation of specified mental or behavioral health projects and programs. This includes grants and research projects under the MHSSA.
- C. Mental Health Student Services Act. The MHSSA, created at WIC Section 5886, is designed to bring mental and behavioral health services to children and youth at their school campuses. Specific program goals are set forth at the statute: (A) Preventing mental illnesses from becoming severe and disabling; (B) Improving timely access to services for underserved populations; (C) Providing outreach to families, employers, primary care health care providers, and others to recognize the early signs of potentially severe and disabling mental illnesses; (D) Reducing the stigma associated with the diagnosis of a mental illness or seeking mental health services; (E) Reducing discrimination against people with mental illness; (F) Preventing negative outcomes in the targeted population. (WIC Section 5886 (c)(3).)
- D. MHSSA Partnerships. MHSSA grants shall only be awarded to a countywide “partnership” among and between a county’s mental or behavioral health department, office of education, and school districts or charter schools. A “lead agency” may be identified and the statute also recognizes partnerships formed through a consortium between city and county government. (WIC Section 5886 (a)&(b).) Grant applicants must provide the Commission with written evidence of support by the governing boards of all partners. (WIC Section 5886(c)(1)&(2).)
- E. Procurement. This grant was awarded based on a Request for Applications (RFA) for the MHSSA Round 4 (RFA MHSSA-004 Addendum 2) grant program. The RFA was made available to all counties.
- F. Incorporation by Reference. The RFA and Grantee’s Application are incorporated by reference and made part of this Agreement as if attached hereto. The RFA will govern in the event of conflict.

- G. Prior MHSSA Funding. The Commission previously funded three rounds of MHSSA grants at a total of \$255 million to 57 partnerships (Grantees). The 57 grantees are part of the Commission's ongoing MHSSA Learning Collaborative.
- H. TCT Grants. The Commission recently awarded four MHSSA grants under a separate but related Technical Coaching Team (TCT) program. TCT grants designed to assist all MHSSA grantees in specific areas, as awarded to: 1) Imperial County Office of Education (23MHSOAC043) for Sustainability, 2) Tehama County Department of Education (23MHSOAC041) for Data Collection, 3) Imperial County Office of Education (23MHSOAC040) for Partnership Development, and 4) Placer County Office of Education for Program Implementation (23MHSOAC042). See attachments A-1 through A-4.
- I. TA Consultant. These four grantees will provide Technical Assistance (TA) in collaboration with a Statewide Technical Assistance Coordinator to be retained by the Commission.
- J. Evaluation Consultant. The Evaluation Consultant is WestEd, working in collaboration with the Commission and its consultants, and Tehama County.
- K. WestEd. WestEd is a nonprofit corporation headquartered in San Francisco and formed under a Joint Powers Agreement and governed by public entities in Arizona, California, Nevada and Utah with Board members representing agencies from these and other states. WestEd is dedicated to research and evaluation support for public and private educational practices. The Commission has retained WestEd under a separate Agreement to develop a plan for evaluating MHSSA partnerships, activities and services, and student outcomes on a statewide basis. The WestEd MHSSA Evaluation Plan will include an evaluation framework, research questions, viable school mental health metrics using an analytical and methodological approach.
- L. Commission Approval. The Commission approved the expenditure of funds for MHSSA Round 4 at its regular meeting on February 22, 2024 (Agenda Item 9).
- M. Asset Responsibility. Assets, vehicles, equipment and other operational material purchased with grant funds awarded herein must be used for the purposes of this grant for the duration of this grant. At the conclusion of this grant, the asset becomes the responsibility of the Grantee physically and financially.

In the event the materials are not considered "works for hire" under the U.S. Copyright laws, Grantee hereby irrevocably assigns all right, title, and interest in materials, including all intellectual property rights, to the Commission effective from the moment of creation of such materials. Materials means all items in any format and includes, but is not limited to, data, reports, documents, pamphlets, advertisements, books, magazines, surveys, studies, computer programs, films, tapes, and/or sound reproductions. Ownership includes the right to copyright, patent, register and the ability to transfer these rights. For materials that are delivered under the contract, but that incorporate pre-existing materials not produced under the contract, Grantee hereby grants to the Commission a nonexclusive, royalty-free,

irrevocable license (with rights to sublicense others) in such materials to translate, reproduce, distribute, prepare derivative works, publicly perform, and publicly display. The Grantee warrants and represents that Grantee has all rights and permissions, including intellectual property rights, moral rights and rights of publicity, necessary to grant such a license to the Commission. The Grantee shall exert all reasonable effort to advise the Commission, at the time of delivery of materials furnished under this contract, of all known or potential invasions of privacy contained therein and of any portion of such document that was not produced in the performance of this contract. The Commission shall receive prompt written notice of each notice or claim of infringement received by the Grantee with respect to any data delivered under this contract. The Commission shall have the right to modify or remove any restrictive markings placed upon the data by the Grantee.

14. Grantee-Commission Collaboration: At the request of the Commission, Grantee shall permit Commission Staff to work closely with Grantee's Staff, and Commission Staff shall be given access to Grantee's data, working papers and other written materials as needed for this purpose.
15. Counterparts: The parties may sign this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement.
16. Dispute Resolution:
 - a. Grantee shall first discuss and attempt to resolve any dispute arising under its performance of this Agreement informally with the Commission Contract Manager. If the dispute cannot be disposed of at this level, it shall be decided by the Commission Executive Director for which purpose Grantee shall submit a written statement of dispute to: Executive Director, MHSOAC, 1812 9th Street, Sacramento, California 95811. The submission may be transmitted by email but must also be sent by overnight mail with proof of receipt (see provisions for Notice above).
 - b. Within ten (10) days of receipt of the statement described above, the Executive Director or designee shall meet Grantee's manager(s) for the purpose of resolving the dispute. The Executive Director shall issue a decision to be served in the same manner as the written statement, which shall be final at the informal level.
 - c. After recourse to the informal level of dispute set forth above, any controversy or claim arising out of or relating to this Agreement or breach thereof shall be settled by arbitration at the election of either party in accordance with California Public Contract Code Section 10240 et. seq. and judgment upon the award rendered by the arbitration may be entered in any court having jurisdiction thereof.

d. While the informal dispute or arbitration process is pending, Grantee shall proceed diligently with its performance under the Agreement.

17. Electronic Signature: Unless otherwise prohibited by law, the parties agree that an electronic signature has the same legal force and effect as a hard-copy with ink signature. The parties agree that a signed copy of this Agreement may be transmitted by electronic means including facsimile and email.
18. Force Majeure: Neither the Commission nor the Grantee shall be deemed to be in default in the performance of the terms of this Agreement if either party is prevented from performing the terms of this Agreement by causes beyond its control, including without being limited to: acts of God; interference, rulings or decision by municipal, Federal, State or other governmental agencies, boards or commissions; any laws and/or regulations of such municipal, State, Federal, or other governmental bodies; or any catastrophe resulting from flood, fire, explosion, or other causes beyond the control of the defaulting party. If any of the stated contingencies occur, the party delayed by force majeure shall immediately give the other party written notice of the cause of delay. The party delayed by force majeure shall use reasonable diligence to correct the cause of the delay, if correctable.
19. Forum Selection: The County of Sacramento in the State of California shall be the proper forum for any dispute between the parties regarding this Agreement.
20. Governing Law: This Agreement is governed by and shall be interpreted in accordance with the laws of the State of California.
21. Gratuities and Contingency Fees: The Commission, by written notice to the Grantee, may terminate the right of Grantee to proceed under this Agreement if it is found, after notice and hearing by the State, that gratuities were offered or given by the Grantee or any agent or representative of the Grantee to any officer or employee of the State with a view toward securing a contract or securing favorable treatment with respect to the awarding, amending, or performing of such contract.

In the event this Agreement is terminated as provided in the paragraph above, State shall be entitled (a) to pursue the same remedies against Grantee as it could pursue in the event of the breach of the Agreement by the Grantee, and (b) as a predetermined amount of liquidated damages, to exemplary damages in an amount which shall not be less than three times the cost incurred by the Grantee in providing any such gratuities to any such officer or employee.

The rights and remedies of the Commission provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

The Grantee warrants by execution of this Agreement that no person or selling agency has been employed or retained to solicit or secure this Agreement for a commission, percentage, brokerage or contingent fee, excepting bona fide employees of Grantee, for the purpose of securing business. For breach or violation of this warranty, the State shall have the right to annul this Agreement without liability, paying only for the values of the work actually returned, or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

22. Indemnification: Grantee agrees to indemnify, defend and save harmless the State, its officers, agents and employees from any and all claims and losses accruing or resulting to any and all Grantees, sub-grantees, suppliers, laborers, and any other person, firm or corporation furnishing or supplying work services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by Grantee in the performance of this Agreement.
23. Independent Contractor: Grantee, and the agents and employees of Grantee, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of the State.
24. Information Security: The Grantee shall comply with applicable laws and regulations, including but not limited to Sections 14100.2 and 5328 et seq. of the Welfare and Institutions Code, Section 431.300 et seq. of Title 42, Code of Federal Regulations, and the Health Insurance Portability and Accountability Act (HIPAA), and its implementing regulations (including but not limited to Title 45, CFR, Parts 160, 162 and 164) regarding the confidentiality and security of individually identifiable health information (IIHI).
25. Inspection and Enforcement: From time to time, the Commission may inspect the facilities, systems, books and records of the Grantee to monitor compliance with the Grant. Grantee shall promptly remedy any violation of any provision of the Contract and shall certify the same to the Commission in writing. The fact that the State inspects, or fails to inspect, or has the right to inspect Grantee's facilities, systems, and procedures does not relieve Contractor of its responsibility to comply with the Agreement. The Commission's failure to detect or the Commission's detection of any unsatisfactory practices, but failure to notify Grantee or require Grantee's remediation of the unsatisfactory practices does not constitute acceptance of such practice or a waiver of the State's enforcement rights under the Agreement.
26. Key Personnel: Grantee's key personnel, as may be identified in this Agreement, cannot be substituted without the Commission's prior written approval.
27. Litigation: The Commission, promptly after receiving notice thereof, shall notify the Grantee in writing of the commencement of any claim, suit, or action against the

State or its officers or employees for which the Grantee must provide indemnification under this Agreement.

The failure of the State to give such notice, information, authorization or assistance shall not relieve the Grantee of its indemnification obligations. The Grantee shall immediately notify the State of any claim or action against it which affects, or may affect, this Agreement, the terms and conditions hereunder, or the State, and shall take such action with respect to said claim or action which is consistent with the terms of this Agreement and the interest of the State.

28. Loss Leader: If this Agreement involves the furnishing of equipment, materials, or supplies then the following statement is incorporated: It is unlawful for any person engaged in business within this state to sell or use any article or product as a "loss leader" as defined in Section 17030 of the Business and Professions Code. (Pub. Contract Code §10344(e)).
29. MHSOAC Logo: The Commission hereby grants Grantee the use of the MHSOAC Logo for purposes of its performance of this Agreement. Grantee understands and agrees that it must adhere to the guidelines in the Commission Brand Book in using this logo. A copy of Brand Book will be provided to the Grantee upon request.
30. Nondisclosure: Grantee shall not use or disclose confidential, individually identifiable, or sensitive information other than as permitted or required by the Agreement and as permitted or required by law.
31. Non-Discrimination: During the performance of this Agreement, Grantee and its sub-grantees shall not deny the contract's benefits to any person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status, nor shall they discriminate unlawfully against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. Grantee shall insure that the evaluation and treatment of employees and applicants for employment are free of such discrimination. Grantee and sub-grantees shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12900 et seq.), the regulations promulgated thereunder (Cal. Code Regs., tit. 2, §11000 et seq.), the provisions of Article 9.5, Chapter 1, Part 1, Division 3, Title 2 of the Government Code (Gov. Code §§11135-11139.5), and the regulations or standards adopted by the awarding state agency to implement such article. Grantee shall permit access by representatives of the Department of Fair Employment and Housing and the awarding state agency upon reasonable notice at any time during the normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, and all other sources of information

and its facilities as said Department or Agency shall require ascertaining compliance with this clause. Grantee and its sub-grantees shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement. (See Cal. Code Regs., tit. 2, §11105.).

Grantee shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under the Agreement.

32. Notice: The parties agree that any document or notice required under this Agreement, including reports and other communications, shall be made in writing to the other party's Contract Manager as identified in Exhibit A. Except for Notices of Termination, which must be sent by overnight mail with proof of receipt to the appropriate Contract Manager, the parties agree that email will be considered sufficient for any and all notices, reports and other documents required under this Agreement.

33. Notice of Litigation: Grantee shall promptly notify the Commission of any claim or action that may affect performance under this Agreement.

34. Permits and Licenses: The Grantee shall procure and keep in full force and effect during the term of this Contract all permits, registrations and licenses necessary to accomplish the work specified in this Contract, and give all notices necessary and incident to the lawful prosecution of the work.

The Grantee shall keep informed of, observe, comply with, and cause all its agents and employees to observe and to comply with all prevailing Federal, State, and local laws, and rules and regulations made pursuant to said Federal, State, and local laws, which in any way affect the conduct of the work of this Agreement. If any conflict arises between provisions of the plans and specifications of this Agreement and any such law above referred to, then the Contractor shall immediately notify the State in writing.

35. Priority Hiring Considerations: If this Agreement includes services in excess of \$200,000, the Grantee shall give priority consideration in filling vacancies in positions funded by the Agreement to qualified recipients of aid under Welfare and Institutions Code Section 11200 in accordance with Pub. Contract Code §10353.

36. Public Hearings: If public hearings on the subject matter dealt with in this Agreement are held within one year from the contract expiration date, Grantee shall make available to testify the personnel assigned to this Contract at the hourly rates specified in the Grantee's proposed budget. State shall reimburse Grantee for travel of said personnel at the contract rates for such testimony as may be requested by State.

37. Public Records Act: This Agreement is subject to the California Public Records Act (PRA) in Government Code Section 6250 *et seq.* Under a Public Records Act Request, Grantee may be required to provide information regarding any aspect of this Agreement to the Commission. Under the PRA, medical records, data and any other information in the custody of the Commission are exempt from disclosure to the extent they contain personally identifiable information and shall be withheld from disclosure to that extent. The Commission will coordinate with federal entities on disclosure of public records should there be a joint request under the PRA and the federal Freedom of Information Act.
38. Publications and Reports: The Commission reserves the right to use and reproduce all reports and data produced and delivered under this Agreement. The Commission further reserves the right to authorize others to use or reproduce such materials.
- a. If the publication and/or report are prepared by non-employees of the State, and the total cost for such preparation exceeds \$5,000, the publication and/or report shall contain the numbers and dollar amounts of all contracts and subcontracts relating to the preparation of the publication and report in a separate section of the report (Government Code Section 7550).
39. Recycling Certification: The Grantee shall certify in writing under penalty of perjury, the minimum, if not exact, percentage of post-consumer material as defined in the Public Contract Code Section 12200, in products, materials, goods, or supplies offered or sold to the Commission regardless of whether the product meets the requirements of Public Contract Code Section 12209. With respect to printer or duplication cartridges that comply with the requirements of Section 12156(e), the certification required by this subdivision shall specify that the cartridges so comply. (Pub. Contract Code §12205).
40. Work Product Rights: The Grantee hereby grants the Commission with Government Purpose Rights to the Work Product produced pursuant to this Agreement. “Government Purpose Rights” are the unlimited, irrevocable, worldwide, perpetual, royalty-free, non-exclusive rights, and licenses to use, modify, reproduce, perform, release, display, create derivative works from, and disclose the Work Product. “Government Purpose Rights” also include the right to release or disclose the Work Product outside the Commission for any State government purpose and to authorize recipients to use, modify, reproduce, perform, release, display, create derivative works from, and disclose the Work Product for any public purpose. Such recipients of the Work Product may include, without limitation, Not-for-Profit Corporations, Community-Based Organizations, State Grantees, California local governments, the United States Government, and the State and local governments of other states. “Government Purpose Rights” do not include any rights to use, modify, reproduce, perform, release, display, create derivative works from, or disclose the Work Product for any commercial purpose.

41. Severability: In the event any provision of this Agreement is unenforceable or held to be unenforceable, then the parties agree that all other provisions of this Agreement have force and effect and shall not be affected thereby.
42. Small Business Participation and DVBE Participation Reporting Requirements:
- a. If for this Agreement, Grantee made a commitment to achieve a small business participation, then Grantee must within 60 days of receiving final payment under this Agreement (or within such other time period as may be specified elsewhere in this Agreement) report to the awarding department the actual percentage of small business participation that was achieved. (Govt. Code §14841.).
 - b. If for this Agreement, Grantee made a commitment to achieve a disabled veteran business enterprise (DVBE) participation, then Grantee must within 60 days of receiving final payment under this Agreement (or within such other time period as may be specified elsewhere in this Agreement) certify in a report to the awarding department: (1) the total amount of the prime Grantee received under the Agreement; (2) the name and address of the DVBE(s) that participated in the performance of the Agreement; (3) the amount each DVBE received from the prime Grantee; (4) that all payments under the Agreement have been made to the DVBE; and (5) the actual percentage of the DVBE participation that was achieved. A person or entity that knowingly provides false information shall be subject to a civil penalty for each violation. (Mil. & Vets. Code §999.5(d); Govt. Code §14841).
43. State Funds: Contractor, including its officers and members, shall not use funds received from the Commission pursuant to this Agreement to support or pay for costs or expenses related to the following:
- a. Campaigning or other partisan activities to advocate for either the election or defeat of any candidate for elective office, or for or against the passage of any proposition or ballot measure; or,
 - b. Lobbying for either the passage or defeat of any legislation.

This provision is not intended and shall not be construed to limit any activities specified in this Agreement that are intended to inform, educate, and support advocacy before local and state administrative and legislative bodies regarding policies and issue-based legislation consistent with the MHSA.

This provision is not intended and shall not be construed to limit any expression of a view, opinion, or position of any member of Grantee as an individual or private citizen, as long as state funds are not used; nor does this provision limit Grantee from merely reporting the results of a poll or survey of its membership.

MHSA Round 4**Category 4: Other Priorities**

44. Subcontracts: Prior to entering any subcontract, Contractor shall obtain the Commission's prior approval. Contractor shall provide a list of all subcontractors in initial, progress and final reports to the Commission, or upon request. If the Commission determines that a subcontract was executed without prior approval, a ten percent (10%) penalty may be applied against total funding at or before fiscal close-out. The Contractor shall notify the Commission upon the termination of any subcontract, at least two weeks in advance of the termination. All subcontracts shall incorporate the following terms and conditions from this Exhibit C: Audit, Assignment, Confidentiality, Copyright, Forum Selection, Governing Law, Indemnification, Independent Contractor, Non-Discrimination, Public Records Act, Publication and Reports and Subcontracts.
45. Substitutions: Grantee's key personnel as indicated in its Proposal may not be substituted without Contract Manager's prior written approval.
46. Survival: The following terms and conditions in this Exhibit C shall survive termination of this Agreement: Audit, Assignment, Confidentiality, Copyright, Dispute Resolution, Forum Selection, Governing Law, Indemnification, Public Records Act, and Publication and Reports.
47. Termination For Cause: The Commission may terminate this Agreement and be relieved of any payments should the Grantee fail to perform the requirements of this Agreement at the time and in the manner herein provided. In the event of such termination the Commission may proceed with the work in any manner deemed proper by the Commission. All costs to the Commission shall be deducted from any sum due the Grantee under this Agreement and the balance, if any, shall be paid to the Grantee, pursuant to Exhibit B of this Agreement, upon demand.
48. Termination Without Cause: Either party is entitled to terminate this Agreement without cause upon serving written Notice on the named representative of the other party at least thirty (30) days in advance. The Commission shall be relieved from any obligation to pay Grantee for performance that is interrupted or not delivered as a result of termination. The Commission shall pay the Grantee for any balance remaining, pursuant to Exhibit B of this Agreement, for work satisfactorily performed. The Commission shall also be entitled to an accounting of the use of the funds and is entitled to a refund of any unused and uncommitted funds attributable to actions that have not occurred as of the date of the Notice of termination.
49. Timeliness: Time is of the essence in this Agreement.
50. Unenforceable Provision: In the event that any provision of this Agreement is unenforceable or held to be unenforceable, then the parties agree that all other provisions of this Agreement have force and effect and shall not be affected thereby.

51. Waiver: Waiver of breach under this Agreement shall not be held to be a waiver of any other or subsequent breach. All remedies afforded in this Agreement shall be cumulative in addition to any other remedy provided by law. Applying for Multiple Grants:

Complete as applicable	
Are you applying for a grant in another category? (Yes / No)	YES
If yes, describe your capacity for managing and completing the Contractor's Responsibility for each grant. For the past several years, I've been responsible for creating, implementing, and monitoring an entirely new program (School-Based Mental Health and Wellness) for the Siskiyou County Office of Education. The funding for this program has come from several different funding streams, including MHSSA, SBHIP, CalHOPE, CalHOPE 2.0 and CalHOPE 3.0. I've successfully managed and completed the Contractor's Responsibilities for each grant in a timely manner with minimal support.

ATTACHMENT 1-3 ☐ Proposed Program

Proposed Program	
13.C.1.	Describe the program/service being proposed. Siskiyou County Office of Education and Siskiyou County Behavioral Health Department would like to develop a Career/Technical Education - Behavioral Health Pathway to be offered in area high schools to increase the workforce capacity of certified wellness coaches in Siskiyou County. Ideally, SCOE and SCBHD would work with area high schools and our local community college, College of the Siskiyous, to create a pipeline for Wellness Coach certification.
13.C.2.	Describe your experience related to the proposed MHSSA program/service being submitted with this grant application. As the Director of School-Based Mental Health and Wellness, I currently supervise wellness coaches and understand the responsibilities and requirements for this position in serving schools. Prior to becoming the Director of School-Based Mental Health and Wellness, I was an Educational Services Director for SCOE and worked with administrators and teachers across grade-levels and content areas to design and develop curriculum that meet grade-level and content area state standards, align with the MTSS frameworks and California Standards for the Teaching Profession. I have served as an Instructional Coach for CTE teachers in Agriculture, Education, Health Sciences and Building and Construction Trades. Prior to join SCOE, I was an English and social studies teacher at Yreka High School and worked with our CTE department to develop A-G approved course curriculum for the CTE pathways that would meet the California ELA standards
13.C.3.	Describe the need(s) being addressed? Siskiyou County has extremely limited workforce capacity to meet the emerging and increasing student mental health and wellness needs in our K-12 schools. The Children and Youth Behavioral Health Initiative has prioritized school-based mental health and wellness services and the multi-payer fee schedule currently being implemented is designed to create a pathway to sustainability for school-based mental health. Unfortunately, most schools in Siskiyou County will be unable to provide for mental health and wellness services because there are too few individuals with the necessary qualifications to allow for utilization of the multi-payer fee schedule to hire.

Mental Health Services Oversight and
Accountability Commission

RFA-MHSSA-004 Addendum 1
Mental Health Student Services Act

13.C.4.	How were the needs identified? The need to increase the workforce capacity of mental health professionals is recognized at the state level and is exponentially greater in the small, rural, remote communities of Siskiyou County. Furthermore, the inability of Siskiyou County Behavioral Health to hire qualified personnel, despite almost continuous recruitment for clinicians and behavioral health specialists, is further evidence that the need exists. Siskiyou County Office of Education has also struggled to hire school psychologists, behaviorists and/or wellness coaches. SCOE was hopeful that certification of wellness coaches would expand the workforce, but the limitations for achieving certification have revealed the lack of necessary education in school personnel currently effectively serving students mental health and wellness needs. SCOE utilizes the DESSA Universal Screener with many schools in Siskiyou County. This data indicates that 20% of Siskiyou County students screened fall in the range of need improvement. Referrals made to Siskiyou County Behavioral Health Department take approximately two months from the date the referral is made to when a student receives services. When services are received, it is likely to be teletherapy services because there are no clinicians or behavioral health specialists to serve students.
13.C.4.a.	Provide support in the form of data to support the needs. The need of certified wellness coaches is demonstrated by the increased requests by schools for SCOE to provide Tier 2 intervention services for students. The SBMHW program was fully launched during the 2021-2022 school year and SCOE received four student referrals to provides services for 2 schools. During the 2022-23 school year, the SBMHW program received 52 student referrals to provide services from 7 different schools. In the 2023-2024 school year, the SBMHW Program processed 130 referral for student services from 17 different schools. The 250% increase of student referral from one school year to the next clearly indicates that students would be better served be onsite wellness coaches that could provide right now support and intervention for students.

13.D.1.	Does this program/service currently exist? No.
13.D.1.a.	If yes, how long has it been in existence? Not Applicable.
13.D.1.a. 1)	What are the current funding sources and annual amounts being provided? Not Applicable.
13.D.1.a. 2)	Will these funding sources and amounts continue if you are awarded a grant? Not Applicable.
13.D.1.b.	If no, state when the program/services will be ready to provide services? Ideally, a CTE Behavioral Health Pathway could be established by Fall 2025.
13.D.1.b. 1)	Identify the steps needed to get to the point of providing services. The steps necessary for program implementation are: • Hire a CTE Wellness Coach Program Coordinator • Create an CTE Behavioral Health Pathway Development Committee (BHPDC) with representatives from area high schools, SCOE, SCBHD, Siskiyou Cradles to Careers, Siskiyou Works, K-12 Workforce and College of the Siskiyous. • Schedule BHPDC regular meetings to ensure continual progress on CTE course development. • Design and develop a behavioral health curriculum and sequence of coursework and practical experience that will lead students to wellness coach certification. • Submit curriculum and coursework design to state for approval. • Recruit behavioral health professionals to apply for CTE credential. • Add Behavioral Health Pathway courses to area high school schedules and College of the Siskiyous catalog. • Promote Behavioral Health Pathway courses to high school and college students.

	Enroll high school and college students in Behavioral Health Pathway courses.
13.D.2.	Will you commit other funds outside of this grant to support the program/service? SCOE will actively pursue available grant funding associated with the CTE course development funding. 13.D.2.a.	If yes, identify the funding source(s) and the annual amounts that will be committed to support this program/service. This information is unknowable at this time, however Golden State Pathways Program Planning and implementation grants can be awarded up to \$200,000 and \$500,000, respectively.
13.D.3.	Identify the expected outcomes from your program/service. The expected outcomes are to have CTE Behavioral Health Pathways that lead to Wellness Coach certification in place with at least two Siskiyou County high schools and College of the Siskiyous by the end of the 3-year grant period.

13.D.5.	Describe the types of data that will be collected to monitor and measure the program's success. The program's progress and success will be measured by a roster of BHPDC members, BHPDC meeting agendas, minutes and attendance logs, Behavioral Health Pathways Course submission documentation and communications, enrollment data in Behavioral Health Pathway courses, completion data for Behavioral Health Pathway courses, number of Wellness Coach certifications.
13.D.5.a.	Do you agree to provide this data to the Commission, upon request? Yes.
