**Subject: Support for Assembly Bill 2132: California Environmental Quality Act: Exemption:
Groundwater Recharge Project**

Dear Assembly Member Macedo,

The Siskiyou County Board of Supervisors writes in support of Assembly Bill 2132, as introduced on March 9, 2026.

AB 2132 provides a targeted exemption under the California Environmental Quality Act (CEQA) for groundwater recharge projects that are determined by the Secretary of the Natural Resources Agency to address land subsidence. This approach maintains appropriate oversight while streamlining the implementation of projects that provide clear environmental and public benefits.

Siskiyou County supports efforts that create pathways to expedite the development and implementation of groundwater recharge projects and therefore respectfully supports AB 2132.
